Mitchell Field Celebrates 30th Air Corps Birthday

Sergt. C. L. Birch took on the job of guide and informant for a group of youngsters who helped the army celebrate the thirtieth birthday of its air corps at Mitchell field in New York recently. The sergeant is showing the youngsters some of the tools used in air fighting, including a machine gun which shoots pictures instead of bullets. It is used in air target practice, and its pictures show whether the gunner scored a hit or miss. The machine gun-camera takes rapid-fire pictures, and the "gunner's" aim must be just as accurate to get pictures as it is in actual aerial combat to score a direct hit.

Busy Londoners Find Time to Read Open Air Bible

Busy though they may be, rare are the pedestrians who fail to stop at least for a moment outside St. Paul's church in London to read the Bible which lies open in a glass-topped stand. Children? Dictators Just Love Them

Though grim "military necessity" causes Chancellor Adolf Hitler of Germany, left, and Premier Benito Mussolini of Italy to build huge bombing planes in order to wipe out cities and their populations, the two dictators never fail to show their love for children—at least when they face a camera. Here Hitler playfully pats one of his youthful supporters who was singled out for the honor during a special celebration in Berlin's famous Olympic stadium. Mussolini proudly accepts a bouquet of flowers from a little Albanian child during his recent visit to Rictione.

Sentinels of Health

Don't Neglect Them! Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
