# SAINT MARY'S ACADEMY

O'Neill, Nebraska

ST. MARY'S ACADEMY

ST. PATRICK'S CHURCH

Conducted By

The Sisters of Saint Francis

St. Mary's Academy, a boarding-school for young ladies and for boys and girls of grammar-school age, receiving also day-students, both boys and girls, is one of the most thoroughly equipped schools in the state.

The educational ideal of St. Mary's is to make the students physically strong, to occupy them with the acquisition of knowledge, virtue, and usefulness in general.

The Academic Department, offering also Normal Training, Business, and Fine Arts Course, has a two-fold object, to prepare the student for College or University work, and to fit him for the position he is destined to fill as a man or woman of culture and refinement.

St. Mary's Academy is accredited with the University of Nebraska.
