

Helping Hand Extended to Devil's Island Fugitives

Eight men who are fleeing from the dread French penal colony at Devil's island are shown lined up at the beach at Ensenada Playa, Puerto Rico, as they listened to instructions read by an immigration inspector before setting sail in their small boat, in which they hope to reach Mexico. The fugitives first sailed to Venezuela, to Trinidad, then to Puerto Rico, securing help at each port. They hope to obtain a pardon, and if successful will join the French army.

Gray Ghosts of Northland Stalk Camouflaged Foe

Finland has no monopoly on winter camouflage. The reconnoitering Soviet warrior, left, and his dog are both in "winter dress." The white-clad soldier of the northern army blends with the snow-covered background. Right: Carrying knapsacks under white coveralls, these hardy Finnish troops look like hunchbacks as they glide to their posts on the Karelian front. These men have been the terror of the Soviet troops, attacking and fading again like wraiths. Fast moving, they swoop down on isolated parties, attack with machine guns, rifles, pistols and even knives, then disappear.

Australian Farmers Strive to Maintain Production

"This is our land—and to keep it so we must maintain our primary industries." That's the rallying cry of young Australia during war time. The picture is symbolic of the commonwealth's part in preparation. A farmer continues harvesting his crop as an armored car section holds maneuvers on a nearby road. Following their initial maneuvers, many of the armored car regiment members returned to their fields to complete harvesting.

Messenger . . . Chinese 'Pickford' . . . Princess

Mahatma Ghandi's message to America is that British imperialism in India must be supplanted by a new order, according to Miss Bhicco Battivala, left, of India now practicing law in London, who is visiting in this country. Another foreign visitor is Tso Yee-Man, center, the "Mary Pickford of China," who, with her husband, is here to produce two motion pictures. Right: Princess Stephanie Hohenlohe-Waldenburg, former friend of Adolf Hitler, is another recent arrival. The princess recently lost a breach of agreement suit against Viscount Rothermere, British newspaper publisher.

Like Father, Like Son? Definitely Not!

George Young, ace marathon swimmer of years ago, waited 12 years to get the \$25,000 cash prize he earned by winning the 36-mile Catalina island swim in 1926. He was a lad of 17 at the time, and was given the money when he reached 30. George and his wife, residents of Canada, turn "thumbs down" on a swimming career for George Jr., who practices his strokes on the piano stool. The \$25,000 is all he and his wife have left from swimming careers which won them \$125,000.

Our Old-Time Couch Is Made Streamline

By RUTH WYETH SPEARS
 WAS there a couch like the picture at the top of this sketch, in the family "sitting room" when you were a child? Let's get it down from the attic, for just see what can be done with it! Properly streamlined it will look like the middle picture.
 First paint the front of frame; then cover well up onto the head portion with cotton batting; next use bright cotton upholstery material. Remove stuffing at high

end. Now, make box-like end tables like those illustrated. The dotted lines indicate how the couch fits under these box tables and how a partition and shelves are put in the one at the lower end. Paint tables to harmonize with fabric. The final touch is the back and end cushions covered with the upholstery material.

On a Dollar Bill

The design and inscriptions on our one dollar bill are taken from the reverse side of the Great Seal of the United States, adopted in June, 1782. The two Latin mottoes translated read "He (God) favors our undertakings" and "A new order of things."

The pyramid is an unfinished one, emblematic of the unfinished republic. Above is an all-seeing eye surrounded by light, to indicate the Deity. The other part of the design shows an eagle holding an olive branch and 13 arrows.

The Better Way to Correct Constipation

One way to treat constipation is to endure it first and "cure" it afterward. The other way is to avoid having it by getting at its cause. So why not save yourself those dull headachy days, plus the inevitable trips to the medicine chest, if you can do it by a simple common-sense "ounce of prevention"?
 If your trouble, like that of millions, is due to lack of "bulk" in the diet, "the better way" is to eat Kellogg's All-Bran. This crunchy, toasted, ready-to-eat cereal has just the "bulk" you need. If you eat it regularly—and drink plenty of water—you can not only get regular but keep regular, day after day and month after month! All-Bran is made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.
