General Motors Builds 25-Millionth Unit

Brief ceremonies were held in the Chevrolet assembly plant at Flint, January 11, marking completion of this car, the 25-millionth unit built by General Motors. In behalf of the thousands of workers who had a hand in its manufacture, 75 members of the final assembly line crew handed M. E. Coyle, Chevrolet general manager, a commemorative scroll for presentation to W. S. Knudsen, president of General Motors. Veteran Chevrolet employees, and executives of the Buick and AC Spark Plug divisions, were present as special guests.

In photo, left to right: C. E. Wetherald, general manufacturing manager, Chevrolet; Mr. Coyle; H. H. Curtice, general manager Buick Division; A. P. Sloan, Jr., chairman of the board, General Motors; Fred Brown, veteran Chevrolet employee; C. S. Mott, vice president, General Motors; C. E. Wilson, executive vice president, General Motors, and Mr. Knudsen. The car was taken at once to Detroit, to play a major part in the "March of Men and Motors" celebration staged that night in the Masonic Temple.
