Casual Dress That Flatters the Figure

NOTHING is more important during the summer—and every season for that matter—than this type of casual frock, softly tailored and classically simple. This version (Design No. 1962-B) is ideal for women's figures, because it has a high-busted, narrow-hipped line. And that perfection of line is achieved so simply—merely by means of long darts that narrow the waistline and

break into soft fullness above and below. Gathers on the shoulders are the only other detailing. The rest is just long, straight seams. You can judge, therefore, how easy this dress is to make.

But you can't really tell what a distinctive, comfortable, charming fashion it is until you have it on. Then you'll repeat it many times, in silk print, rayon sheers, and street cottons like linen and batiste.

Barbara Bell Pattern No. 1962-B is designed for sizes 32, 34, 36, 38, 40, 42, 44 and 46. Size 34 requires, with long sleeves, 3 1/2 yards of 39-inch material; with short, 4 1/4 yards. Send order to:

Sources of Trouble
From one of three sources our troubles arise: Dirt, Debt or Devil.

THE TRUTH SIMPLY TOLD
Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under existing laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorders of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
