NOTICE OF HEARING

In the Matter of the Probate of the Last Will of Mabel M. Palmer, Deceased.

To all persons interested in the estate or in the last will and testament of Mabel M. Palmer, Deceased, both creditors and heirs, devisees and legatees.

You, and each and all of you, are notified that on the 2nd day of October, 1940, Robert H. Palmer filed his petition in the County Court of Holt County, Nebraska, alleging that Mabel M. Palmer, a resident and inhabitant of Summit County, Utah, died July 4th, 1936, seized of an undivided two-thirds right, title and interest in and to the South Half of the Northwest Quarter of Section Fifteen, in Township Twenty-eight North, Range Ten, West of the 6th P. M., in Holt County, Nebraska; that she left a last will and testament which was originally and legally admitted to probate in the Dis-

trict Court of the Third Judicial District of the State of Utah of which Summit County is a part; that the interest of said deceased in said real estate was devised to the petitioner, Robert H. Palmer, under the terms of said will, by virtue whereof petitioner is now the owner of an undivided two-thirds interest in said real estate and is interested in and entitled to have said will admitted to probate in Nebraska; that said will has not heretofore been presented for probate in the State of Nebraska, and that more than two years have elapsed since the death of Mabel M. Palmer; that all debts and legacies have been fully paid; that attached to the petition is an authenticated copy of said will; that the prayer of said petition is that said will be admitted to probate and allowed as the last will and testament of the said Mabel M. Palmer, deceased; that regular administration of said estate be dispensed with and for a decree that said real estate descended free and clear of all debts and claims of any and every kind of the said Mabel M. Palmer in accord with the terms of said will to petitioner, Robert H. Palmer; that said estate is not subject to an inheritance tax and for such other and further relief as justice and equity may require.

You are further notified that said petition is set for hearing before the County Court of Holt County, Nebraska, in the Court Room in O'Neill, Nebraska, on the 24th day of October, A. D., 1940, at ten o'clock A. M., and that if you fail to appear at said time and place and contest said petition the Court may grant the prayer thereof.

LOUIS W. REIMER,
County Judge.

L. E. Axtell, of Dustin, one of the republican wheel horses in the western part of the county, was in the city on business Tuesday and favored this office with a pleasant call. It was the first time the writer had met Mr. Axtell but we served in the legislature with his brother, J. A. Mr. and Mrs. Ira Moss and daughters, accompanied by D. H. Cronin and H. D. Grady drove to Norfolk Monday afternoon to listen to the address of Congressman Dewey Short. It was the second time we heard Congressman Short and to our mind he is one of the greatest orators in the United States and when he discusses national policies he speaks with the knowledge gained from a service of twelve years in the congress of our country. He warned his audience that the fight this fall was not a fight between the old democratic and republican parties but a fight to preserve the independence of the people of this country and save them from dictatorship under the leadership of the New Deal party. About 1,000 people heard him and cheered him as his sledge hammer blows at New Deal policies and the reckless squandering the money of the people of this country in their quest for power and more power struck home.

About 80,000 children started to public and parochial schools in

Washington this month, and enrollments in the many colleges indicate an increase of about 10 percent over a year ago.

Further increase in the Federal employment rolls in Washington brought the total during the past month to a new high of 138,487. Jobs created by the rapidly growing national defense program accounted for much of this increase. The payroll of Government employees, excluding the Army and Navy is now \$24,225,906 per month.
