**Livestock Run Lighter At Sale Here Last Monday**

Receipts of livestock fell off a little in both the cattle and hog divisions last Monday. Prices were just a little easier on most classes and the general undertone displayed weakness. Probably some of this tendency was due to the fact that this was election week and buyers were not quite so numerous as usual.

A few choice steer calves paid as high as 11.75, but these were scarce. The long end brought from \$10.50 to \$11.20. Top heifer calves sold for \$9.85, but \$9.00 was the popular price on the bulk of this class.

The top price paid for a full load of steer yearlings was \$9.25, however, there were some odd head and small lots that brought upwards to \$10.00.

The top load of two-year-old steers cashed at \$8.85; odd head in this class sold as high as \$9.50.

There were more cows than usual in the run and all classes were represented. Several odd head with weight, fat and quality brought from \$6.50 to \$7.00. These were choice. Bulk of the beef cows brought from \$5.00 to \$6.25. Cannors and cutters brought from \$4.00 to \$5.00. A few bunches of good breeding cows brought \$45.00 and \$50.00 per head. Bulls paid from \$5.25 to \$6.00.

Butcher hogs reached a top of \$5.60, good light sows sold at \$5.50. Light lights ranged in price from \$5.20 to \$5.35; feeding hogs paid mostly from \$4.50 to \$5.00.

The next regular auction will be held Monday, November 11.

**SHIELDS**

Mrs. A. J. Carroll, who spent the summer here with relatives and at the old home at Chambers, left to spend the winter with her mother at Los Angeles. She was accompanied by Mr. Steskal and wife, who is a sister of Mrs. Carroll and daughter of Mrs. Margaret Jungbluth, recently of Chambers. Mr. Carroll is with the Byrd expedition in the antarctic region. His mission is to photograph the new explorations discovered around the South Pole.

Mr. and Mrs. Steskal had just arrived home from a trip to California and they were very jubilant about it. Covering a distance by auto of 5,600 miles, they took an airplane to the Grand Canyon, National Park, and over the Boulder dam and other places of interest they failed to recall. They aimed to pass through the most picturesque portions of the Black Hills, Yellowstone National Park, Butte, Mont., Idaho, Washington, and south along the California coast line for 300 miles, passing through the Golden Gate to Los Angeles. On their return trip they

came through Carson City, Salt Lake and Casper, Wyoming. They brought specimens home with them from each state visited and will exhibit them in the near future. The only thing we got in on so far was a drink of water from a five gallon jug that he took out of Salt Lake, in Utah. He urged all that could afford it to visit these great states to the west of us and learn something of the splendid and hospitable western American people. The only thing he did not like about it was they were all Willkieites.

**St. Mary's News**

Using the fees paid by the students, a new encyclopedia has been added to the library for the grade school children. An arrangement has been worked out by which the books suited to the grades have been placed in the class rooms. This plan makes the books available when needed and brings the library into greater use in the school. A similar plan has been worked out in the high school by which the books needed for reference and for required reading are conveniently placed in the classrooms. The magazine section of the library now numbers fifty-six titles, some weekly, some monthly.

During the past week the pupils attended the DeWillo concert. The music included violin, vocal and concertina selections, chosen especially for the occasion. The artists remarked after the concert that the behavior of the students was excellent and that their attention showed intelligent appreciation of good music.

Missionary Rally in the O'Neill Methodist church November 17. Fifteen churches will be represented starting at three o'clock in the afternoon and continuing through the evening. The afternoon will be given over to study groups and

the evening will be taken up by a devotional address by one of the pastors.

The W. S. C. S. will meet with Mrs. Will Hannah Thursday afternoon with Mesdames Knight, Peterson and Shaw as assistant hostesses. Business meeting will begin promptly at two-thirty. The date is November 14.

The Sunday School has new hymnals which are very attractive and aid greatly in Sunday school music.

**Happy Hour Project Club**

Our club met at the home of Mrs. Monnie D. O'Neill on October 24. All members were present but one, each bringing a covered dish for lunch. The table which was set for Halloween was very attractive.

The meeting was called to order by president, Mrs. Mart Schelkoff, members answering roll call by relating their most embarrassing moment. A very interesting lesson, "Do We Want Health" was given by alternate Leader B. Mrs.

Blake Benson. At the close of the meeting members were entertained with a song, "God Bless America," sung by John O'Neill.

Next lesson "Using Home Resources" will be given by leaders at the home of Mrs. John Hynes, November 7.

**Appreciation**

I wish to express my thanks to the Holt County voters for their splendid support in last Tuesday's election.

Walter G. Sire, County Assessor.

**Lutheran Notes**

Sunday's service at the Episcopal church will begin at 10:30 A. M. and will be in charge of Candidate Vernon Harley, of Atkinson. Mr. Harley will be commissioned Sunday afternoon and will leave next week for South America, where he will serve as a missionary.

Sunday school at 10:00.

**WINTER WARNING**

QUESTION "Will 'RPM' eliminate starter 'groan' this winter?"

ANSWER Yes! Because it's made to flow so fast, "RPM" in proper winter grade ends the hard-straining "Gr-r-r-r" that wears your starter—

eliminates slow-motion engine turnover that drags down your battery. "RPM" goes into action right now!
