# POWER 3 WAYS with the UNIVERSAL Jeep

### PULLING POWER

The 4-wheel-drive Universal "Jeep" operates on or off the road as a tractor or tow truck—pulls braked loads of 5,500 lbs., with reserve for steep grades and heavy going. Choice of six forward speeds gives correct gear ratio for every load and road condition.

### HAULING POWER

The 4-wheel-drive Universal "Jeep" is unsurpassed for rugged, off-the-road service and tough hauling jobs that require maximum traction and maneuverability. It needs no road, but gets men and tools through to hard-to-reach places where conventional vehicles cannot go.

### PORTABLE POWER

The Universal "Jeep" takes power wherever you need it, with optional power-take-off that delivers up to 30 hp for on-the-job operation of all kinds of equipment, including welders, air compressors, generators, pumps, buzz saws and paint sprayers.
