LESS WORK, MORE PLAY—  
WITH LONG-WEARING DAYSTROM

This graceful table puts sparkle in your dining room, kitchen or playroom. The Daystrom laminated plastic top won't chip, stain or mar — it's resistant to heat and acids. For company meals the extra leaf quickly adds 12" to the 30" x 42" top. The legs are tapered for elegance — rounded for fast cleaning. Ball feet make the table easy to move. You can wash the handsome, 2-tone, plastic upholstery on the chairs, too. **89.50**
