In the Fourth district, consisting of Deloit, Ewing, Golden and Verdigris precincts, Frank Cronk, Republican, will attempt to remove W. E. Wulf, Democrat.

In the Sixth district, George E. Collins, Republican incumbent, is opposed by A. M. Batenoehr, Democrat. Voters in the following precincts will decide on these two men: Stuart, Green Valley, Holt Creek, Francis, Swan and Josie.

Voters will decide "for" or "against" a proposed constitutional amendment to "authorize the state legislature to impose a tax on reservations of mineral rights and fissionable material in land and royalties."

They will also have an opportunity to say "yes" or "no" to a bonus proposal in behalf of World War II veterans. The proposal would authorize a three and one-half mill levy upon all taxable property in the state, except intangible property, for the years 1949 to 1953, inclusive.

A bonus, amounting to an average of \$300 per veteran, would be paid in 1954, according to the proposed law. The Veterans of Foreign Wars has been backing the proposal.

The bonus proposal provides that members of the armed forces during World War II are to be paid \$10 for each month of service in this country and \$15 a month for each month served overseas. However, no veteran may receive more than \$350.

Thirty-four million dollars is the estimated figure the taxpayers will have to dig up during the next five years if they want to pay the bonus.

Payment would begin in July, 1954, and continue for a year.

The levy for the bonus and aid fund would be more than one-half of the total state levy for all purposes.

To carry, the proposal must receive a majority vote. The law also requires that 35 percent of the people voting in the general election must vote on the issue.

Republican candidates' names will appear first on the ballot. This is because that party collected the greatest number of ballots at the last election.

County Clerk Ruth Hoffman said this week that all is in readiness for the election. Ballots were printed at The Frontier last week and are now in the vaults at the clerk's office.

Atkinson Minister Heads CROP in Holt as Move Gets Underway

(Continued from page 1)
rural folk — the world's best neighbors — to give from the harvest fields and from the livestock pens.
Gifts in kind are emphasized, but cash contributions also will be accepted.
The purpose of CROP is to feed the hungry, speed rehabilitation, and build toward a better world.
Nebraska's own goodwill train will depart from Omaha after sections of it are made up outstate.

Reverend Gerber, who is in charge of the publicity in the county, explained that all churches in the nation, including Jewish organizations, are cooperating in the movement. He pointed out that distribution overseas of the CROP gifts will be handled through church agencies.

"The administrators are competent and experienced and they know where the greatest need is," he explained.

Reverend Ihrig commented that he is frequently asked the question: Where does Marshall plan aid leave off and CROP aid begin?

He explained that he was curious about that same question until he was brought into the CROP movement.

"The American government determines how much aid — military and otherwise — must be extended to a given European nation to prevent the collapse of its economy. Food provided through government aid to other governments is not relief as we, in America, understand the meaning of the word," the Atkinson clergyman continued.

"It goes through the regular channels of trade and it is bought by those who have the money to buy. Because of the scarcity, some is diverted to the black market, since there is more profit in selling at prices above the ceiling set by the government."

"There is no conflict between government aid to other governments and Church Relief to individuals. Both are needed."

A large part of Church Relief food will be used in institutional feeding, especially for orphanages, for hospitals and homes for aged.

Church Relief reaches the most needy — children, orphans, widows, cripples, the sick, the homeless and the dispossessed.
"Church Relief does more than save lives," Reverend Ihrig concluded. "It restores faith and hope. It is an expression of applied religion."

O'Neil Eagles Top Stuart, 7-0

The O'Neil Eagles fashioned a 7-0 victory of the Stuart Bronchos in Carney park here Wednesday afternoon.

Four times the Eagles were inside the Stuart five-yard line but only once could they score. Halfback Don Calkins flipped a pass to End Don Harmon, good for 25 yards and the tally. Clayton Layh kicked the extra point.

Back Jerry Henderson sparked for Stuart, while O'Neil's line played well defensively.

50,000-Head Run at Omaha

It was another 50,000-head of livestock on sale at Omaha Monday, good for top rank among the major cornbelt markets for the tenth straight Monday. The cattle and calf run—mostly Western—hit 32,000, a new high for the season and biggest since the record cattle and calf run of October, 1945.

Hogs on sale totalled 10,000, biggest porker run since last June. Scattered loads of fat cattle sold steady with last week's \$1.00-\$2.00 break but rank and file were weak to another 50c lower in slow trade, most sales \$27.00-\$33.00, one load \$36.50, another \$37.00.
