Connie is five feet five inches, a green-eyed brunette. She probably will remember this week above all the others in her entire school year. Why? Because on Thursday, March 3, she came to school with a ring (third finger, left hand), that certainly wasn't a class ring or one you get for a box top and 10 cents.

Her favorite subject is home economics; her favorite song, "Far Away Places"; her favorite band, Guy Lombardo; her favorite actor, Robert Walker; her favorite actress, June Allyson; her favorite expression, "Oh, golly."
