Road Gear

Come in and let us install a real speed gear on your old model John Deere A or B. Now go 9 and 15 miles per hour with New Behlen Gear Box. Two separate, additional speeds. Helps do many more jobs in a day. Does not interfere with present gears. Come in and let us bring your old John Deere up-to-date with a New Behlen Gear Box.

For Old Model John Deere A or B

Behlen GEAR BOX

GET THE MOST OUT OF YOUR FARMHAND

Now . . . add a Forage Fork and Snow Scoop for those tough cold weather jobs.

120 Cu. Ft. capacity 8'4" wide, 5'5" deep, 26 3/4" high.

EARN ITS KEEP ALL YEAR AROUND! Watch that big steel Forage Fork bite into frozen stacks, rip loose huge loads with "wrist action" efficiency. And think of all the other hard jobs you can do with ease and speed when you add a Forage Fork to your FARMHAND Hydraulic Loader. Lifts machinery . . . pulls fence posts . . . moves rocks . . . handles any heavy-duty lifting and loading job on the farm. Now's the time to get your Forage Fork!

33 Cu. Ft. capacity 7'11" wide, 32" high, 40" deep.

ROAD, YARD, FEED LOTS CLEAR IN MINUTES! Plow that snow out of the way, scoop it up and pile it high with your FARMHAND's 21 foot reach plus Snow Scoop attachment! Then use your Snow Scoop all year around to carry corn, silage, and other light, bulky loads. Here's another hard-working FARMHAND attachment you need to make your FARMHAND Hydraulic Loader the 100% time and work saver on your farm.
