**HOUSE RUN DOWN? MODERNIZE...NOW!**

**Re-Paint! Repair! Renew!**

Spring Time is the time for fix-up and clean-up! In the Spring a man's fancy turns to love for his home. A little fixin' here and a little touch-up there with an occasional something new will change the whole appearance of the home and make it more modern and convenient for comfort!

It's inexpensive, too. Our years of experience are at your service in helping you plan your job—large or small. Ask for a free estimate.

**Have You Looked at Your Roof Lately . . . ?**

It may need to be reroofed, repaired or remodeled. If your roof needs attention you'll do well to have it taken care of NOW — before serious damage results from Spring and Summer rains.

**Paint Your Home . . .**

A well-painted home shows pride of possession. Let us estimate your paint needs with MINNESOTA Paints and Varnishes. We also carry a full line of painters' supplies.

**Fix - Up . . .**

Property is still very valuable. It is not replaceable. Owners should protect their property. Renters should consult their landlords for help in repairing and painting buildings. Structures not worthy of repairs should be wrecked for being unsightly as hazardous.
