

## April 15 Deadline for AAA Signup

April 15 is the final date for AAA signup for 1949. Signup meetings have been held in all precincts in the county at this time, except Rock Falls, Saratoga, Coleman, Steel Creek and Scott. Meetings will be scheduled in those precincts again before April 15, but not until the road situation improves, according to Harry Ressel, chairman.

"Those wishing to sign must now sign in the county office, any day except Saturday. This is for all farm operators in the county, who haven't signed. As far as we know at this time, April 15 will be the final date a farm plan may be signed," Ressel added.
