### Former Residents Anticipate Tulip Festival in Iowa

ATKINSON — Mr. and Mrs. R. E. Kissinger arrived Friday from Boyden, Ia., to visit relatives and friends. They formerly lived in Atkinson, and moved to a farm near Boyden about four months ago.

Mrs. Kissinger said they plan to attend the Tulip Festival on May 20-21 at Orange City, Ia. This event is an annual affair when the main street of Orange City will be lined with rare and beautiful tulips to a distance of about a mile.

The residents import the tulip bulbs from Holland, paying as much as \$1,000 for a single bulb. People are dressed in native costume, down to the wooden shoes.

One of the features of the celebration related by Mrs. Kissinger, is the street cleaning. Each participant has a brush or broom. One goes ahead pouring water from a pail, followed by another who scrubs clean that portion of the street.

Another event, said Mrs. Kissinger, is the maypole dance—a colorful spectacle with the children dressed in Dutch costumes.

The absence of carnivals and dances is quite noticeable, says Mrs. Kissinger.

"The citizens of the community around Orange City are all very religious people," the Kissingers say.

Their cleanliness is evident by the way they keep their livestock and barns. There are linoleum rugs on barn floors and curtains at the windows.
