SMA Juniors Seat Seniors First Time with Great Success; Look Who Juniors Are!

By PAT BRENNAN

Hi graduates! Yes, the past weeks have been busy for those graduating teen-agers. But now that you're out of high school what happens next? What are you going to do now? You don't know. Naturally you're most likely only thinking of the wonder if you times you're going to have this Summer. Well, I'll tell you right now that the Summer is going to go faster than you think. If you really want to get ahead, you should ask yourself a few questions. For instance, what did you like to do in school? What were you best at (besides fooling around)?

Some of the smarter teen-agers know what they're after even before they get to be freshmen. That is the way to be. On Tuesday, May 17, the seniors of SMA treated the juniors to a skating party at the Roller-drome. There were many ups and downs during the course of the evening, but everyone seemed to have loads of fun.

Kathryn Golden and Chuck Marston have been seen together quite a bit lately, and they appear to be always having fun. (Who wouldn't in a gorgeous yellow convertible?)

Both the SMA class night and the OHS graduation were on the same night, Tuesday, May 24. The OHS eighth grade graduated along with the "pub" seniors. The band played the professional march from "Tannhauser." Wally Shelhamer and Ivalyn Brady played instrumental solos.

The juniors of SMA helped the seniors graduate on May 25, in St. Patrick's. The juniors wore formals and led the seniors to their places. This is the first time this was done,

The society voted to buy six new deluxe folding tables for use in the WSCS parlors. The group, also planned the birthday party for the members who celebrate their births in April, May and June, to be held in conjunction with the regular meeting on June 9. Installation of officers will also take place on that date. Hostesses were: Mrs. Floyd Sanders, Mrs. Vaden Kivett, Mrs. Justin Butterfield and Mrs. Arthur Renner.
