Poultry Producers !

The Tri-State Produce Company, established in 1938, has brought the farmers highest possible prices on their poultry and eggs due to the fact that this is the only dressing and processing plant within a radius of 75 miles of O'Neill.

All poultry and eggs are eventually sold to a processing plant and this business has been established to serve the producers in this trade territory.

We handle poultry and eggs exclusively and have trained employees to handle your product in a prompt and efficient manner. Drive down to our plant located two blocks south of the signal light on main street where we have a LARGE unloading dock and no parking problems. You will be unloaded and paid for your produce promptly and can spend your money wherever you like as we have nothing to sell you.

Pay us a visit when you have eggs or poultry to sell. A Year Round Market. Sell Direct To Us.
