The merry-go-round is being repaired and painted this week. Other equipment, which has

been purchased through a local firm, has been ordered.

The committee wants the fact to be known that the park is for public use, including the tables and benches.

Solicitations from residents is taking place now. The captains are: Mrs. W. B. Gillespie, Mrs. Howard B. Holliday, Mrs. Theodore Strong, Mrs. Harrison Bridge, and Mrs. Harden Anspach.

Helpers include: the Mesdames Ray Lawrence, E. Gaskil, Larry Johnson, Verne Beckwith, Arthur Dexter, Paul Fetrow, Raymond Eby, Robert Nicholas, Lloyd Collins and E. F. Sullivan. These funds are to be used in equipping the playground.

Water, toilets and benches already have been installed.

The county agent's office this week has received eight or 10 calls on the aphids "light" activity.

Nevertheless, the rains have improved the pasture outlook and helped check the grasshopper threat.
