Your Year-Around

MARKET

for

POULTRY AND EGGS

Our rural patrons find our facilities ideal... our service friendly and prompt... our prices always top. Next time on the market with poultry or eggs try...

TRI-STATE

TRI-STATE for years has been a leading industrial operation in O'Neill... in peak seasons employing up to 80 people in our produce and processing plant alone!! Dressed poultry and eggs are shipped regularly to Eastern and Western markets by truck and rail.

**WE'RE PROUD TO BE A PART
OF THIS GROWING COMMUNITY**

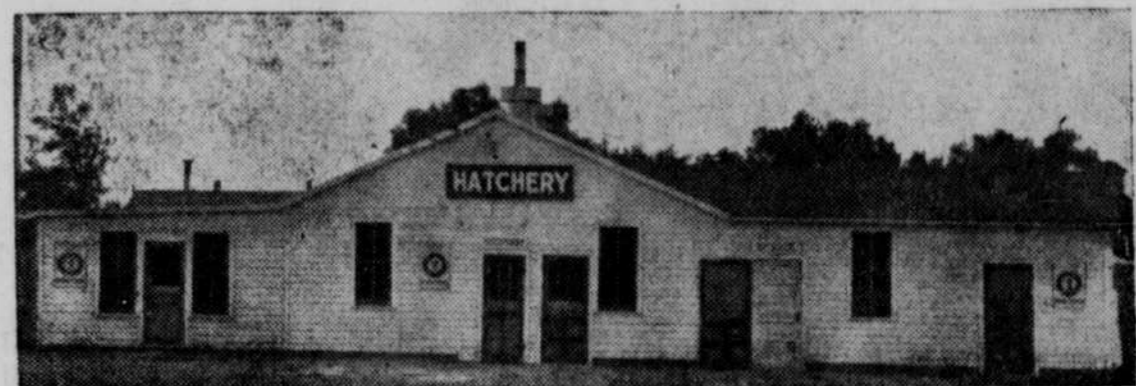

Tri-State Produce & Hatchery

Produce Phone 66

South on Fourth Street in O'Neill

Hatchery Phone 90

Phil Sherman became owner of this plant in 1937... he redesignated the institution to be known as TRI-STATE... and under his ownership the plant has grown... the hatchery has been built... there have been expansions of facilities... and the institution and O'Neill have grown hand-in-hand.

For Years an Ever-Increasing Number of Folks Have
Been Depending Upon

TRI-STATE'S QUALITY CHICKS

Tri-State Hatchery & Farms This Year Raised
More Than 35,000 Turkeys.

Large-scale hatching and raising of turkeys has been pioneered in this region by Tri-State. Our choice, prize-winning turkeys are shipped to points throughout the United States — sometimes abroad.

Our Hatchery is headquarters in O'Neill for all kinds of chick and turkey feeds, remedies and equipment. Whatever your problem with poultry, our trained poultrymen will be pleased to help you.
