## GAMES IN N-C LOOP INDECISIVE

Most games in the North-Central day and night league were unimpressive as ragged playing on the part of the losing clubs gave way to scoring marathons. A grand total of 70 tallies were chased across home plates throughout the league Sunday. This total would average out to 17 tallies for each game. The stronger teams of the league were against the weaker ones this weekend, thus lopsided scores resulted.
