## Sub-Teen-Agers Want to Be Cowboys Now That They've Seen Stuart Rodeo

BY PAT BRENNAN

Hi teenagers! Well, I certainly hope that none of you have completely melted away and that you are still going as strong as ever, and from what I've heard you certainly haven't melted. Me, I've recently got back from a perfect three weeks in Lincoln and believe you me it was "hot" there too.

Pat Brennan

Now that I'm back in little old O'Neill, I'll have to be getting "on the ball" a gain. So I've found out that — Dick Godel has joined the Air Force, that John O'Neill received honorable mention for his American freedoms essay in Lincoln, that five Holt county 4-H boys and girls namely Elsie Peter, Twila Whaley, of O'Neill, Velma Abney, of Inman; Helen Martens, of Atkinson, and Keith Bartell, of Amelia, went to camp in Missouri, that 28 other 4-H Holt county boys and girls went to Long Pine to camp, Paul Moseman was home from Lincoln on the Fourth, that Gayle Wildfeldt and Bob Wallace joined the band for the summer, that Kathryn Golden is just a few shades darker, that Waunetta Anspach and Chuck Marston, Ivalyn Brady and Dean VanEvery are getting along fine, (I think I know now why Ivalyn came home.)

The Stuart rodeo has sure changed a lot of little sub-teenagers' minds about the future. They all want to be cowboys now.

In spite of all the teeners

that went to Stuart, the Country club was also overrun with them so everyone must of had a wonderful time, for I sure did.

Joan Simonson has returned from her vacation in California. Nancy Beha has returned from Omaha where she had a voice audition at the Schmoller and Mueller Piano Co. Kathryn Golden has left for Denver for her vacation. Marietta and Raymond Higgins, two ex-students of SMA, were here visiting friends. Welcome back to the big city.

### Jaycox Family in Royal Film—

INMAN—A number from Inman attended the show "Red Stallion in the Rockies" at the Royal Theatre in O'Neill over the Fourth of July weekend. This is the picture the Inman people have been waiting for because a former Inmanite, Mrs. Walter Jacox, and her daughter and grandchildren, are in the play. They now live at Carbondale, Colo., and are employed on the Clyde Guss ranch where some of the picture was filmed.

## For Friends — Roamers — Countrymen —

QUITE literally, it's one car in a thousand—999 other cars take the road for every Estate Wagon Buick turns out.

But it's far more than something exclusive, as you'll soon see when one takes its place in your garage.

For those times, for instance, when house guests arrive — what smarter equipage could you send to the station, what greater comfort, what handier way to manage the luggage problem?

And when the Lord and Master yearns for a few days away from it all — what's handier than this nimble gadabout, that lets him fold down a back seat at nightfall and enjoy full-length double-bed sleeping space?

And that place in the country, calling for a car that can go just about everywhere, do just about everything . . .

That's when you'll go for the ruggedness of this beauty with its steel framing, steel top and springs of durable, service-free coiled steel. That's when you'll go for Dynaflo Drive† too — and the steady, even, fluid pull that takes furrowed fields, rough pastures and narrow back roads with equal, shift-free ease.

In all truth, this is a star of many roles. Smart and sleek, finished like an express cruiser, it's a standout for style in any parking line-up, a family favorite for its quick readiness to take on any transportation job.

It's a buy, too, like all Buicks—and your dealer is offering pleasantly prompt delivery. Why not see him today about the car that both literally and figuratively is one in a thousand?

†Standard on Roadmaster, optional at extra cost on Super models.
