350 Cattle, Many Wet Sows, Feeder Pigs

We will have 350 cattle and the usual run of wet sows and feeder pigs for Thursday, July 14.

There will be some good yearlings in truck load lots. A few heavy steers and the balance of the run will consist of calves, fat cows, heifers and feeding cows.

The seasonal price drop of the past month has discouraged many buyers and sellers alike but it is to the buyers' advantage because feeder cattle will be higher just as soon as the bulk of the feeders are ready for them.

Don't fail to be at the O'Neill Sale Barn Thursday, July 14.
