

**ADD THIS
PUSH-OFF TO YOUR
FARMHAND LOADER
...FOR 6FT. HIGHER
STACKS!**

BUILD HUGE STACKS with that famous FARMHAND high-reach Hydraulic Loader *plus* this new "Push-off" attachment! Adds 6 extra feet to the gigantic 21-foot reach of the FARMHAND Loader to give you extra high 27-foot stacks that weather well and retain top quality. "Push-off" is completely hydraulic . . . fits on hay basket easily . . . operates from its own control valve through the regular FARMHAND Loader hydraulic pressure system. Pushes half-ton loads off ends of basket tines to center of stack. Light aluminum construction. Folds flat . . . doesn't cut down basket capacity. Another FARMHAND time-saving, work-saving, money-saving accessory you'll want. See it!

WANT 100% PERFORMANCE from your hard-working FARMHAND Hydraulic Loader? Then make the most of this husky Manure Fork .
