## Teen Tattler—

## Cardinal Followers Feast on Win and Enjoy Watching Husker Show

BY PAT BRENNAN

Hiah, guys and gals, Tomorrow's the big day! Yes, it's the Diamond Jubilee-Fall Festival celebration. On May 12, 1874, O'Neill was first settled. This celebration is to show O'Neill's 75 years of progress with over 70 floats, including one from the schools—OHS and SM-A. So let's all try to make this day one to be remembered. The celebration will also help build up the St. Anthony's hospital fund. The parade starts at 10 and the Municipal band will lead.

On Tuesday night, September 20, OHS held a class meeting in which class rings, graduation announcements and cards, were ordered.

The class officers of the SMA sophomores are Shirley Leahy, Nancy Gathers and Don Graham.

OHS lost another football game Friday night to Bassett by a score of 12-0, while SMA traveled 200 miles to beat Lincoln Cathedral by a 12-6 margin.

This afternoon SMA will again hit the road to play Marty Mission, S. D. It will be a rough game but I hope the "good luck" stays with us. Tomorrow OHS plays Ewing as one of the special highlights of the big Jubilee celebration. So come on Eagles, let's go!

Thirty-two members of the SMA pep club went down to Lincoln to watch not only the Cardinals win their game but also Nebraska win from South Dakota. Some of the comments

were: "The pep leaders really fascinated me." "The university band is every bit what they say it is, really something!" "The football playing seemed so much different than high school football. Anyway it was worth it."

The girls stayed at the Cornhusker and you were doing pretty good if you got more than four hours sleep. In fact, Mrs. George had to finish out the night with the sophomores. Mrs. Beha was also a chaperone.

The next teen-age dance will be a week from Friday, but until then work hard and have fun. I'll be seeing you.

## Plane Search Locates Boy, 2

ORCHARD—Rodie Cleveland, 2-year-old son of Mr. and Mrs. Leo Cleveland, living Southwest of Orchard, meandered from his home Tuesday, September 20. He was found later in the day by Ed Buterfield, who searched the neighborhood with an airplane.

The tot had been placed in his crib for his usual afternoon nap about 2 o'clock. His mother visited him again about 3 o'clock, but sometime before 3:30 he awakened and decided to take a junket.

Upon discovering his absence, the parents searched the premises with no avail. They summoned Orchard people for help.

The neighborhood was combed, but finally, two hours later, Pilot Buterfield spotted the lad in an alfalfa field only a half-mile away. It was figured, however, that the boy had wandered about three lineal miles before he was found.
