**VILLAGE BOARD**  
Chambers, Nebr.

(First pub. Oct. 20, 1949.)  
Julius D. Cronin, Attorney  
**ORDER TO SHOW CAUSE**  
IN THE DISTRICT COURT  
OF HOLT COUNTY, NEBRASKA.

In the Matter of the Application of JOSEPH SOBOTKA, EXECUTOR of the Estate of KAROLINA SOBOTKA. Deceased, for License to Sell Real Estate.

Now, on this 17th day of October, A.D., 1949, this cause came on for hearing upon the petition and application, under oath, of Joseph Sobotka, Executor of the Estate of Karolina Sobotka, Deceased, praying for a license to sell the following described real estate of the said Karolina Sobotka, and now the property of her said estate, to-wit:—

The Northwest Quarter of the Northeast Quarter, the Northwest Quarter, and the Northeast Quarter of the Southwest Quarter of Section Six, in Township Twenty-seven, North, Range Ten, and the West Half of the Southwest Quarter of Section Six, Township Twenty-seven, North, Range Ten, excepting the South sixty-five acres thereof, all West of the 6th P.M., in Holt County, Nebraska; and Lot Five, in Block Twelve, situate in the Sub-division entitled Blocks Twelve, Thirteen, and Fourteen, and Outlots Four to Eleven, inclusive, of Outlot "B" in the Town of Inman, Holt County, Nebraska,

for the purpose of paying debts owing by said deceased and allowed against her said estate and the costs and expenses incident to the administration of said estate, and it appearing to the Court from said petition that there is not a sufficient amount of personal property in the possession of Joseph Sobotka, the Executor, belonging to said estate to pay said debts, fees, allowances, and costs, and that it is necessary to sell said real estate herein described for the payment of said debts, fees, allowances and costs.

IT IS, THEREFORE, ORDERED BY THE COURT that all persons interested in this said estate appear before the District Court of Holt County, Nebraska, on the 18th day of November, A.D., 1949, at the hour of ten o'clock A.M., to show cause, if any there be, why a license should not be granted to the said Joseph Sobotka, Executor of the Estate of Karolina Sobotka, Deceased, to sell the real estate herein described of said decedent to pay such debts and expenses.

IT IS FURTHER ORDERED that a notice of the time and place of such hearing be given all persons interested in this said estate by publishing a copy of this Order once each week for three (3) successive weeks in The Frontier, a legal newspaper, printed, published, and of general circulation in Holt County, Nebraska.

BY THE COURT:  
D. R. MOUNTS,  
District Judge,  
24-26.

**Central American Missionaries Write:**

**'We Face a Task Far Too Big for Us'**

**CHAMBERS**—Rev. and Mrs. Ward Smith are now in Honduras, Central America, as Faith missionaries. They left the Chambers community several months ago and arrived at their destination September 3.

Reverend Smith is a son of Mr. and Mrs. H. L. Smith, of Chambers. A letter from the missionary family to Mr. and Mrs. Vernon Smith follows:

September 25  
Dear Vernon and Wanda:

Well, I suppose you are sweltering in the heat too. It is about as warm here as I have seen it yet.

You should bring the Mack down and do some trucking. You could get a big price for delivering goods only a short distance. We paid \$1 a hundred for freight from La Ceiba here, which is about the same distance as from home to Sioux City. In some places you could get more for shorter distances.

Of course, there is a matter of no roads or bridges. I mean no roads. There was a path cut through the bush for perhaps three miles where a barge was sinking and they unloaded a truck and tractor for a mahogany outfit and took it by land the rest of the way. But when we followed it the other day on horseback I know you could not have gotten down it empty. In many places the horses were sinking to their knees in sticky mud. The little creeks, etc., had log bridges over them but not what I would trust with a load. One could travel at times along the beach just at the edge of the water but the salt water would make short work of any iron that was not painted and bearings, etc. Paint would not even last long. The only easy method of travel would be by pontoon plane.

The kids and I and Mr. Pearman and his two boys went swimming in the sea the other day. It was a lot of fun but the waves were so big I did not go out too deep because there is quite an undertow. That is a current down near the bottom going out to sea.

The waves rush in and much water is carried in on the surface and it has to get back out to sea so it goes back next to the bottom. The waves were pretty big that day but nothing like they are sometimes. Standing in water that at times was not to my knees I could not see over the waves.

The little "Carib" boys go out in little canoes that would hardly be big enough to carry a man and ride the waves in. They really come in fast that way. I tried to get a picture of one doing it and he was very willing but when he got out and turned around to come back a big wave filled his canoe and he

spent the rest of the time I was there getting the water out of it.

The radio is no good to us now since the batteries here were 12-volt instead of six. A new battery would cost us about \$25 or \$30. We will get along without for awhile. Bob and Anna have one. It is not working too well but it works some. I am going to look over the connections, etc., this week.

I have the saw so I can use it now. I made a frame for the saw and have it fixed to carry the whole works together. I made some of the frame from mahogany. Some class!

Well, I must go to Sunday-school. You should hear these kids sing. They sing many of the choruses we know. "Heavenly Sunshine." "I Believe the Answer's on the Way." "Spirit of the Living God Fall Afresh on Me." "Let the Beauty of Jesus Be Seen in Me," and many others.

(I will finish this when I come back.)

Well, Sunday-school is over. It is quite interesting to hear them. They come from one-year-old on up. I want to get a good close up picture of some of them. They are really cute.

The nurse who came four months ago had to go up the coast a ways and deliver a baby Friday afternoon. The woman was having quite a bit of trouble mostly from the other women who were trying to help.

She got along OK after she got the woman rested up from all the help the native women had been giving. They thought she was dying. She went by horse for one-half hour then by canoe for six hours. Coming back she had to walk the one-half hour.

One would hardly believe there could be so much sin and darkness within 700 miles of the coast of U.S. There just are no morals among these people. They do not know what love in a decent sense is. For a man to be true to his wife and visa versa is something to be talked about. The people are very poor. They can just about carry everything they own on their backs. But the bad thing is the spiritual darkness. It is so hard to bring one of them out of darkness into spiritual things. They just cannot comprehend the fact that they are sinners in need of salvation. Then when that much light dawns they have to face ridicule and some degree of persecution from friends and relatives.

Pray for us much. We face a task far too big for us. We are up against so many things. If it were not that we can trust the Lord we should have been home by now.

With love,  
Helen, Ward and kids.

**New Uniforms for Valentine Band;**

**Spaulding Seniors Guests at Dance**

BY PAT BRENNAN

Hi spooks! Here comes Hallowe'en, so talk up a pumpkin and let's talk things over. It doesn't take black cats, ghosts and screaming witches to make a good party—but it helps. That's why every one wants to get the crowd together on Hallowe'en. Incidently witches night out falls on a Monday this year.

Pat Brennan

The dramatic students at O'Neill high have started a Thespian club and each member has to have a certain number of points in order to join. Six members have joined already, and the first meeting was held on Wednesday, October 19, at the home of George Nicholas, the dramatic coach. They elected Claude Cole as president and Beverly Boelter as secretary-treasurer. Marie Guthmiller is the club reporter. "Our Lady of Proverty", a religious dramatic play was staged by the St. Mary's speech

class Tuesday, October 18. The costumed play was given in honor of the mother-general of the Sisters of St. Francis.

Valentine is all decked out in new band uniforms and from what has been heard they are mighty pretty. Last Summer we had the Valentine band director, Lee Kjelson, do the honors of directing our band on Saturday night.

The Valentine band is only a year old and some of its members also came down and we enjoyed meeting them. They are a swell group of teenagers.

Saturday Tom and Ron Reszel and Allan Porter from O'Neill high competed in the state livestock judging contest. Leonard Pitts was alternate.

Elaine Harsfield and a friend were here visiting from Atkinson over the weekend.

A school dance on Wednesday, October 19 at St. Mary's had guests. The Spaulding academy seniors were here getting their graduation pictures taken and so they were invited to the dance. They had a wonderful time.

The SMA Cards did it again! Yes, their winning streak stretched to five, when they trampled Lynch, 46-0, Friday night. Nice going Cards. Let's have an undefeated season.

The OHS annual is getting underway, and the first SMA zing is out. It will come out about once a month.

Skippy Anderson and his orchestra will be at the Legion club tonight and Monday is Hallowe'en. So everyone have fun and I'll see you at the dance.
