The undefeated Cardinals of St. Mary's downed Spaulding academy Friday afternoon to the tune of 74 - 0. The game ended in the third quarter. Five years ago the Cardinals had their first all victorious season when Kelly and Clark were hitting pay-dirt for the academy. Tonight (Thursday) is homecoming for St. Mary's. The candidates for queen are Kathryn Judge, Helen Ann Lee, Kathryn Golden and Jacky Lee. One of these four will be crowned as football queen at a dance following the game. The guests at the dance and the opponents on the football field will be from St. Joseph academy, of York.

The talented Juniors at St. Mary's put on their class play, entitled "Smilin' Through". The progressing St. Mary's band entertained between the acts. The O'Neill high band has done a splendid job during the football season with their performing during half-times. The many comments were mostly on the lights on the hats (they were used last year also) and the lighted batons.

Two dances for teenagers are coming up on November 18 and 25 so get those two dates marked up on your calendar. The teenagers have been asking for them and the teenage committee has some more plans to keep you interested. So it's up to you if you want them continued. Do you? Let's make this weekend like last weekend and have two wins. Let's make the last two best! Be seeing you.
