

With so many glad tidings in the air
We add our bit to what is there
With the hope that all this Yuletide zest
For you may only mean the best

Christmas Cheer
and
Happy New Year

The Schulz Store, O'Neill, Nebraska

Best Wishes for a Joyful Peacetime Christmas

As THE dove of peace again flutters to earth, this, the first peacetime Christmas in five long years, echoes with a truer ring of "Peace On Earth—Good-will Toward Men."

As many loved ones, long separated by war, are reunited, it is the sincere wish of all of us to all of you and yours, though some are still scattered throughout the world, that this Christmas may be filled with a new joy and unbounded cheer, and that you may be blessed with health, happiness and good fortune throughout the coming year.

For Swift, Sure WINTER Lubrication
Use This New Fighting
AVIATION OIL
with *Twin Action**

* **FLOWS FREELY** AT ZERO OR BELOW
* **STANDS UP** AT BOILING OR ABOVE

You can rely upon Champlin HI-V-I . . . the new fighting aviation oil . . . to give your car the swift, sure lubrication it needs in winter.
At the first turn of the motor . . . even at zero or below . . . it flows freely . . . assuring instant lubrication. This protects close-fitting, moving parts against friction, wear, and damage.
After the motor gets hot, even extreme temperatures . . . boiling or above . . . fail to break it down or thin it out.
You see Champlin HI-V-I was developed with this special TWIN-ACTION to meet the all weather demands of our air forces. An amazing new solvent, N-HEXANE, is used to thoroughly de-wax it, producing a remarkable new cold pour test rating. Then, it is built with a high viscosity index for extra stamina to withstand excessive motor temperatures, pressures, and speeds.
You can buy Champlin HI-V-I now in refinery sealed cans from friendly Champlin service stations and dealers.
