NOTICE OF HEARING
IN THE COUNTY COURT OF
HOLT COUNTY, NEBRASKA
In the Matter of the Estate of
JOHN F. SULLIVAN, Deceased.

TO: ALL PERSONS INTERESTED IN SAID ESTATE,
BOTH CREDITORS AND
HEIRS:

YOU ARE HEREBY NOTIFIED that on the 19th day of January, A. D., 1946, Ellen McMullen, also sometimes known as Nell McMullen, filed her petition in the above matter, setting forth among other things that John F. Sullivan, a resident, citizen and inhabitant of Holt County, Nebraska, departed this life on the 15th day of September, 1893, or 1894; that at the time of his death he had made entry on Government lands described as the Southwest Quarter (SW 1/4) of Section Two (2), in Township Twenty-nine (29), North, Range Eleven (11), West of the 6th P. M., in Holt County, Nebraska, but had not received Patent therefor; that following his death Patent was issued to the "Heirs of John F. Sullivan, Deceased"; that he left him surviving as his sole and only heir his father, Florence Sullivan; that petitioner is now the owner of said real estate above described; that petitioner acquired title to the above described real estate by mesne conveyances from the heir of John F. Sullivan, Deceased; that the prayer of said petition is that the Court may find and determine the time of the death of John F. Sullivan, Deceased; that he died intestate a resident and inhabitant of Holt County, Nebraska; may find and determine who are his heirs and fix their degree of kinship; may find and determine the right of descent of the real property upon which he had made entry but for which he had not received Patent at the time of his death, and for which Patent was issued to the "Heirs of John F. Sullivan, Deceased"; that Florence Sullivan, the father of said deceased, was and is his sole and only heir at law and that said real estate descended to him; that there are no debts against said estate; that the claims of all creditors are barred; that there is no inheritance tax, state or federal, due from this said estate or any of the heirs thereof; that further administration of this said estate may be dispensed with, and for such other relief as may be just and equitable.

That said matter is set for hearing before the County Court in the County Court Room in the City of O'Neill, Holt County, Nebraska, on the 14th day of February, A. D., 1946, at the hour of ten o'clock A. M., and that if you fail to appear at said time and place to contest said petition, the Court may grant the prayer thereof.

Dated this 19th day of January, A. D., 1946.

March of Dimes Gleanings

Page and Inman have reported on their Infantile Paralysis collections. Contributions from Page were \$109.68 and from Inman \$88.27. The Holt County Committee wishes to thank Mrs. Kenneth Braddock of Page and Mrs. Carrie McMahan of Inman, who were local chairmen, and to all of those who contributed so generously.

The local committee hopes to complete the drive in O'Neill on Friday afternoon with the help of the Seniors. Contributions received to date in O'Neill are far below the total of approximately \$900 subscribed last year. Let us not fail the polio victims to whom your contributions mean so much. The complete report for the county will be published as soon as total figures are available.

Chairman Harry Clauson of the O'Neill committee reports \$263.00 contributed in the city.

Purpose of the Ag. Road Show

The farmers road show is to feature information on the popular DDT, forestry and horticulture, 4-H club work, kitchen working heights, fuel cabinets, new methods in ironing, grass seed exhibits, health work, weed displays including the new chemical, 24D, and engineering exhibits such as model dehorning chutes, hay stackers, electrica chick and pig brooders and water tank heaters.

In addition to the above information, local people will assist with the exhibits and entertainment which have been designed to be of interest to farm and ranch families. There will be two motion pictures shown, one on health and one entitled "A Bit of Heaven with a Fence Around It."

County Agent Dawes met about ten days ago with the Women's Project Club in the Scott community who will sponsor the agricultural road show. After explanation of the show and discussing the possibilities, the women and men present felt that it was very much to be desired and set to work appointing committees and making arrangements for the show which will be held Wednesday, February 13, at the Scott Community Hall. The president, Mrs. Herman Schollmeyer, appointed the committees and local leaders to assist in explaining exhibits. The women of the Extension Project Club are making plans to serve lunch at the road show. Following the meeting, doughnuts and coffee were served. Much interest is being shown in this community in the show. People in the northeast part of the county will have an opportunity to take advantage of this show which is being brought from Lincoln and shown in only three places in the county.

Page made plans for the agricultural show at a Community Club meeting January 29 at which time the County Agent Dawes helped them plan their local activities. The show will be held in Page on February 12.
