NO. 50.

# THE FRONTIER

O'NEILL, NEBRASKA, THURSDAY, APRIL 25, 1946

PAST AND PRESENT

By Romaine Saunders

The debates of Griswold and Butler. Will they rival those of Lincoln and Douglas?

It has been a long delay but at last a noose has been thrown over the arrogant Mr. Petrillo.

Somehing has happened to our language in our once precise capitol City. An evening paper gives us this in bold face 30-point: "Worsening."

Oddly enough, the volumes written about Nebraska's big problem being soil conservation comes from gents whose source of livlihood is rooted elsewhere than in a plowed field.

Two young men killed near Red Cloud in overturned automobile. Four persons killed in plane crash in midair Woman dies at steering wheel. One hour's record as the dance of death on earth and in the sky goes merrily on.

Looking across land and sea through the field glass of world at the home of Bonnie Dickau the time of his death. vision demaggog and idealist alike April 20, instead of April 26. soar to dizzy heights in colorful fest if you knock the block off a the years work. certain type of gent.

ver gives the lie to the story that and Donna Whaley. Custer's command were soused in by Mrs. Dickau. The next meet-children are: Mrs. H. L. Whitman, ristown, New Jersey, on November 26, 1974. When he was four butchered them on the Little Big Doris Pierson. Horn. She was a maid of 16 at that time living in the Indian country and knew the fair-haired WADDEN DIDCECC He is also survived by fourteen county was on December 24, 1878, Custer, of whom she says there WAKKEN BUKGESS was "never a finer gentleman." That's what we prefer to believe IS BACK HOME of our national heroes.

faced life's responsibilities alone says at one time polio laid its son of Dr. and Mrs. L. A.
