O'NEILL LIVESTOCK M-A-R-K-E-T

Farmers and Ranchers!

Our cattle runs have picked up and the market on feeder cattle is good. The heavier cattle being in top demand. At the present time we do not have enough cattle to supply the demand. Every day we get inquiry about feeder cattle from Iowa and Nebraska feeders.

List your cattle with us in advance as it helps us to get our advertising out and to get the buyers for your livestock. We still sell the cattle in order in which they are unloaded, but would appreciate your letting us know in advance so that we can contact the buyer and assure him that we will have the cattle here for him.
