O'NEILL SPANKS PLAINVIEW 19-7

3 Sustained Drives Enable Eagles to Triumph in Opener

Three sustained drives, one in each the first, second and fourth quarters, enabled the O'Neill Eagles to trample the visiting Plainview high grid team 19-7 under the lights here Friday night. It was the season's inaugural for both elevens.

Coach F. E. Saindon's Eagles went to work immediately after the kickoff. Several fumbles, caused by early season raggedness, cost possession of the ball when drives appeared to be underway. When the Eagles grabbed possession of the ball for the third time, they marched 60 yards to score, with Halfback Tibbetts, O'Neill high's 120-pound flyweight, squirming off right tackle from the 15. Tibbetts scored again in the second frame on a similar T formation play from the 4. The second counter culminated a 50-yard drive.

O'Neill high was leading 13-0 at halftime.

O'Neill's third touchdown resulted from a 30-yard flip, Tibbetts to Left End Bob Mathews, who was alone in the end zone.

Mathews and Right Tackle Ardell Bright stood out for Saindon's crew on the defensive, while Plainview's Halfback Bill Bivens carried on like a one-man gang for the visitors.

'Little Ragged.'
The Eagles were given no respite this week, despite their decisive opening win over Plainview, as Coach Saindon bore down in rehearsals to iron out some of the early season rough spots. "They were a little ragged at times," Saindon said in summarizing the Eagles' performance.

O'Neill high will go to Bassett tomorrow (Friday) and on the following Friday will play at Ewing.

WAYNE — Two Holt county gridders are counted on the Wayne State Teachers' college 1946 grid squad. They are Vernon (Pete) Kozisek, former Stuart high athlete, whose career at Wayne was interrupted by Uncle Sam, and Archie Bright, of O'Neill.

Kozisek is a 200-pound back. His experience is expected to carry him a long ways with the Wildcats this season. Bright tips the beam at 180 pounds, and stands six feet one inch, and may be used at a tackle position. Kozisek is a letterman, Bright is not.

Break Even in Season's First Tests; Injuries Hamper Play

The St. Mary's Cardinals broke even in their first two tilts of the season, walloping Lynch 43-6 at Lynch Friday, and then dropping a 12-31 decision to Chambers here Tuesday night

Tomjack's 3 Counters Help Wallop Lynch

LYNCH—Capt. Jerry Tomjack, St. Mary's swivel-hipped halfback, romped to three touchdowns here Friday as the academy spanked Lynch high 43-6 in the season's opener for both six-man grid teams. In addition, Tomjack helped set up several other counters with long runs.

Halfback Dick McNichols scored twice, and Quarterback Shorty Miles and Back Pat Hickey each crossed the goal once to boost the Card's total.

The Cards, tutored by Rev. R. J. Lisco, had things pretty much their own way throughout.

Chambers Spurs in 4th to Win

The Chambers high gridders turned on the heat in the fourth quarter here Tuesday night to down an injury-riddled St. Mary's club 12-31. The count was tied at 12-12 at intermission and the match was fairly even until the last frame, when the visitors loosed their backs with a series of long runs that netted three touchdowns.

Rev. Lisco's club was seriously hampered by injuries. In addition to the loss of Jim Donohoe and Jim Marne, who are out for the season, Capt. Tomjack was limited to signal-calling because of a bad charleyhorse, and Center Ed Hynes was having trouble with a bad wrist. Dick McNichols injured a knee in the fourth quarter.

McNichols scored both of the Cards' counters, one in the first quarter and the other in the second. Chambers' Left Halfback Bernard Cooke sparked the visitors.

The St. Mary's band staged a demonstration at intermission. Patty the Goat, the Pep club's mascot, also staged a demonstration when she stole the spotlight by crossing the Chambers goal line.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
- Muster-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.
