**It Must Be Love**

Betty was hesitating between two young men and at last it struck her that she might get some help from her father.

"Which do you think I should take, Daddy?" she asked. "Joe is awfully handsome, but Sam is a nice, steady chap."

Father pondered a short moment, then—"My dear," he replied, "if you want a good husband, take Sam. He really loves you."

Betty looked interested. "How do you know?" she asked. "I've been borrowing money from him for the last six months," he said, "and he still comes to see you twice a week."

**HOW TO BUY A USED CAR**

—as suggested by "Automotive News," the newspaper of the industry

**1** Your best guarantee of a good buy is a good dealer. But today's used cars are often offered by "curbstone operators," or so-called "private parties." Then it's wise to get off alone with the car. You can judge general appearance . . . try lights, brakes, wiper, horn. Allow \$10 for repairing a broken window, \$5 for a dent. Always . . .

**2** Shine your flashlight on the engine. Extra dirty? This shows many miles of poor care. Rust streaks or fresh oil on the block may mean cracks—around plugs, it shows oil pumping. And your flashlight will spot motor numbers—show at once if they match the title. Next . . .

**3** Turn beam along frame and body—kinks suggest "Rebuilt wreck." Grease on running gear means wear. Look for worn pedals, shabby upholstery, dirt. Lift rubber around windshield! See yellow or green paint? Look out! May be an ex-tail!

**4** In car or camp, home or office, always rely on "Eveready" flashlight batteries for "a longer life of brighter light." They are the largest-selling flashlight batteries in the world—and justly so! Ask for "Eveready" flashlight batteries by name. Their extra life and light cost no more!

**Time to plant one more crop of cheer**

**M**ILLIONS of folks—here and abroad—owe the cheerful sight of food on the table to you, Mr. Farmer!

Through long, hard work, you've helped keep us the best fed country in the world—while helping to feed many of the world's hungry.

Now we need your help to plant another important crop—one more crop of cheer for our servicemen.

Today, thousands of our boys, scattered over half the earth, are hungry for a touch of home. For a sight of their own people, the music of their own songs, the laughter of their own jokes.

You treat them to all these things when you give to the USO. Every dollar you give helps prevent another of yesterday's heroes from becoming one of today's "forgotten men." By sending USO entertainers to keep up their morale . . . by giving them a friendly home away from home through USO Clubs . . . by bringing entertainment to those in hospitals—for whom the war hasn't ended—to help them fight their way back to health.

You help keep America close to millions of homesick GI's . . . and keep them close to America. It's a job we all want to pitch in on. Lend a generous hand, won't you? Let's give the boys a big crop of cheer!
