POLIO DRIVE LAUNCHED

This is Marcia (above), a victim of polio, who is now on the long road back to health at a children's country home in New Jersey, provided by the March of Dimes funds of the National Foundation for the treatment and long-term care of youngsters recuperating from infantile paralysis. During 1946 the Holt county chapter of the National Foundation expended \$1,878 for the treatment of three polio cases in the county, all of whom received treatment similar to Marcia.

The March of Dimes fundraising campaign in Holt county began Wednesday and closes January 30, according to P. J. O'Donnell, who is in charge of the drive in the O'Neill community. Miss Elja McCullough, county superintendent of public instruction, is supervising the drive in the rural schools, and Mrs. Cletus Sullivan, of O'Neill, is the county chairman.

Coin collection boxes are placed in virtually all places of business in O'Neill and Holt county.

PRAIRIELAND ... TALK

By ROMAIN SAUNDERS ATKINSON Route 5

LINCOLN — The lofty ceilings and ornate walls of the legislative chamber at the state house resounded to the tramp of feet, chatter and clatter of milling multitudes last Thursday. Ceremonies were scheduled for 1:30 p.m. to induct into office a full complement of state officials, including three justices of the supreme court. Galleries and sidelines became clogged with spectators. Senators, officials, and semi-officials filled the chamber, and by 2:15 a sharp rap on the desk where sat the lieutenant governor — hushed the assembled crowd.

Committees were named to escort the various groups, upon whom the mantle of official dignity reposed, to the headquarters of the chamber.

Senator Copeland of the 28th district served on one of these committees. The seven members of the supreme court in judicial robes occupied a row of seats facing the senate and Chief Justice Simmons administered the oath of office to the state officers.

U. S. Senator Hugh Butler sat on a frontseat and occasionally got up to shake hands with Nebraska friends. Mr. Griswold read his farewell address and was followed by Mr. Peterson, who read an exhaustive message to the legislature covering state interests from its public institutions to soil conservation without specific recommendations.

NOTICE OF ANNUAL TOWNSHIP MEETING

The annual township meeting of the legal voters of Grattan township, Holt county, state of Nebraska, will be held on Tuesday, January 21, 1947, in the library at 2 o'clock p.m., for the transaction of such business as may lawfully come before said meeting.

CARL LORENZ,
Township Clerk.
Posted this 16th day of January, 1947.

Inaugural ceremonies, characteristic of Nebraska people, were without fanfare, resplendent togger, or needless show. The massive bulk of Senator C. Petrus Peterson, crowned with an ample thatch of which hair, strode up and down the aisle in calm assurance of the importance of a veteran in our legislative hall.

Official Nebraska is now off to another start.

I have the very latest thing in new railway passenger "coaches" — and no railroad! Through the generosity of Lee Downey, of the Burlington lines out at Denver, combined with Tom Baker's thoughtfulness down at the ranch near home, I got a belted Christmas package forwarded to me in Lincoln where I am temporarily.

The gift is a shining passenger car in miniature of the Burlington's new vistadome cars soon to be put into service. These coaches provide a glass-enclosed panorama room at the top of the car.

Each of the Zephyrs will consist of 10 cars, built of stainless steel, including luxury coaches, coffeeshop and dining cars, and Pullmans with private room accommodations and lounges. The six trains will cost about eight and one-half million dollars, not including the diesel locomotives, officials said.

The westbound Zephyr will leave Chicago in the afternoon, reach Denver in the morning, Salt Lake City the same night and will arrive in California on the following day.

These details I find in a newspaper story enclosed with the gift, for which I am indebted to both Mr. Downey and Mr. Baker.

The second application of Lloyd Hammond for parole will be heard February 11. Admittedly implicated in the affair that took the life of Fred J. Sexsmith November 20, 1932, and sentenced from Holt county to 25 years imprisonment, Hammond continues to maintain he had no part in the shooting for which Frank Mackey, of Niobrara, is serving a life sentence.

Falls City, down near the Missouri and Kansas state lines, claims the record low in temperature during the recent visit from the arctic—28-below zero, said to be fatal for a peach yield in Richardson county.

A fat hen from Holt county can be spread over a thousand plates such as are served as "chicken dinners" at some of the popular lunch counters.

The church service is not a convention to which the family sends a delegate. Why not all come and sit together? Remember when you come, enter expectantly, feel at home, breathe prayerfully, relax restfully, worship soulfully, greet others cordially, leave thoughtfully.

Jesus said: "This is My Father's house." Let us make it a house of prayer.
