

St. Joe Spanks Eagles 29-17 to Cop Title

O'Neill Wilts in 2d Half as Mr. Scott Boosts Total to 22

O'Neill's Blue Eagles wilted in the second-half here Friday night as the strong Bluejays of St. Joseph's, of Atkinson, poured on the heat to win the 10th annual Holt county tourney finals, 29-17.

There was standing-room-only in the public school auditorium as the Josies, headed by Forward Ed Scott, befuddled the Blues with their second-half surge. The customers defied subzero temperatures and blowing snow to come from every corner of the county for the title bout.

St. Joe started strong with four under-the-basket buckets by Red-headed Scott. O'Neill recovered and trailed 9-10 at the rest period. In the second, the Eagles took a one-point lead on some fancy corner shooting by For-

ward Dick Tibbetts, who proved to be O'Neill's only scoring hope. At intermission the count was 13-11.

The Josies bounded back in the third to score five points compared to O'Neill's none. The final stanza was all St. Joseph's with Mr. Scott upping his evening's total to 22.

O'Neill bothered the Josies by working the ball slowly. O'Neill's usually high scoring Ike Saindon was boxed up completely and neither he nor Bob Matthews accounted for themselves in the scoring department.

It was the second title in the week for the Josies. They copped the state Catholic prep championship at York in the finals Tuesday night and entered the Holt meet the following night (having been issued a first-round bye.) They blasted Page 33-19 and spanked Stuart 43-33 to gain the finals. The Josies' only loss this season was a one-point decision to

Creighton Prep of Omaha.

The Eagles failed to connect on 27 attempted fielders during the second-half and sank only one gratis flip all evening.

O'Neill's only previous loss had been a 33-36 setback to the Atkinson high Balers.

Balers Take 3d Place Honors

Third place laurels in the Holt county meet went to the Atkinson Balers, defeating the Stuart Bronchos 35-27. Atkinson had dropped a 21-36 decision to O'Neill and Stuart had been bounced 33-43 by St. Joe in the semifinals.

The Balers stayed in front all the way with Forward Kirkpatrick and Schultz collecting 25 points. The individual star of the show was Stuart's Forward Shaffer, whose timely buckets kept the Bronchs in the game. He scored nine points.

Sluggish second and third quarters cost Stuart the game. Stuart wasted numerous field attempts.

State's Tavern Conditions Are Improving

Nebraska may well be proud of the conditions under which her taverns are conducted.

The Nebraska Committee, through eight years of state-wide publicity, has strongly urged citizens to report any tavern conditions that should be corrected . . . to exercise care in selecting beer licensees.

With special attention thus directed to license renewals, it is impressive therefore that citizens in less than 1% of the towns appeared with criticisms or protests. From only 5 Nebraska towns were protests filed by citizens. Of 1799 applicants, only 14 were denied for reasons of improper conduct.

The State can well be proud of this record. Few other states can match it. It means that Nebraska tavern-keepers are cooperating by observing the State's excellent liquor control laws . . . are conducting their places in the public interest.

This Committee will continue to work for further improvement.
