'BABIES BETTER FED THAN
EVER,' MEAT MAN ASSERTS

"The 6,000,000 American ba-
bies and other millions of slight-
ly older children are better fed
now than at any time in the na-
tion's history." This statement
was made by E. T. Rainey, Swift
and company manager in Oma-
ha.

"There was real reason for
celebration of national baby
week climaxed by National
Child Health day on Thursday,
May 1," Mr. Rainey said. "This
is because our nutrition experts
have reported we now have de-
finite proof that for the first time
millions of babies, with the ad-
dition of specially prepared
meats to their diets, are getting
the well-balanced, complete di-
ets, best for their growth and
development."
