GIRL SCOUT NEWS

INTERMEDIATE SCOUTS

"There are no enemies among children..." quoted from an outstanding American. The underclad children in Europe and Asia need assistance. A program has been outlined by the American Friends Service committee for the Girl Scout organization.

Each troop in the United States has been asked to make up at least two clothing kits. Each kit must contain a complete outfit for one child. The contents of kits for each age group are outlined by the American Friends Service committee.

On Saturday the Intermediate Girl Scouts, of O'Neill, will hold a cookie sale to help finance the program in this community.

Although second-hand clothing is requested, it will be necessary to purchase new items in order to assemble each kit completely.

Won't you purchase some Girl Scout cookies so a barefoot youngster may have a pair of shoes, or a baby can be kept warm with a wool blanket?
