LETTERS TO THE EDITOR

Dear Friends:
My new illustrated Bad Lands book, "Bad Lands Trails" (range stories of the South Dakota Badlands and authentic Badlands handbook) will be off the press about April 20.

It's the book of the ages, colossal, superb, stupendous (or is it stupefying?) grandiferous—the one book that is a "must" for your library, as it tells how us Badlands ginks live, breathe, and act here on America's Last Frontier. One chapter is even intelligent, as it tells all about our Pine Ridge Indian Reservation, and this should make the book click like a hen in a barley bin.

If you have survived the above "thunder" with your mind still intact, the price is \$1.25 per copy postpaid and you may send your order direct to us. Your order will be filled promptly as soon as the books arrive, you'll be one of the first to get this "book of wisdom", and our many thanks to you will be genuine and the real stuff.

Yours truly,
WILL H. SPINDLER
