## "Worth makes the man and want of it the fellow."

(First publication Sept. 24, 1931) LEGAL NOTICE To Agnes Goldfuss, John D. Oot-

ton, Margaret Cotton, John G. Goldfuss and Mary Goldfuss, real name unknown, wife of John G. Goldfuss,

Notice is hereby given that the Occidental Building and Loan Association, as plaintiff, has filed its petition in the District Coart of Holt County, Nebraska, against you, the above named defendants, in an action entitled Occidental Building and Loan Association vs. Agnes Goldfuss, et al., the object and prayer of which petition is to foreclose a mortgage against the following described premises situate in the County of Holt and State of Nebraska, to-wit:

Lot Sixteen (16) in Block Eight (8) in the original town of Atkinson, as surveyed, platted and recorded; that said mortgage was executed by Agnes Goldfuss in favor of the Occidental Building and Loan Association on May 14, 1923, conveying said premises above described as security for the payment of a promissory note; that said mortgage was duly filed for record in the office of the Register of Deeds of Holt County, Nebraska, on May 21, 1923 and recorded in Book 132 of Mortgages at

You are required to answer said petition on or before Monday, the 2nd day of November, 1931, or a decree will be rendered against you as prayed in said petition.

wear, caused by friction, that does it! And almost half of all this motor wear occurs while you're starting. Cut down starting wear and you'll give your motor longer life

wear out quickly, lose power and need costly repairs. It's motor

That's just what the "hidden quart" of Conoco Germ Processed Motor Oil does! It stays up in your motor and never drains away and thus cuts down starting wear! Ordinary oils drain away, leaving working parts unprotected until oil is pumped from the crankcase through the motor, which takes several minutes. Conoco Germ Processed Motor Oil penetrates and combines with metal surfaces of working parts, stays there and never drains away. The "hidden quart" safely lubricates every cylinder, piston and bearing the instant you touch the starter.
