"WE DELIVER"

With the growing public recognition of the superior qualities of Frigidaire, its dependability—its greater freezing capacity—its economy of operation...

And considering the economies in manufacturing costs that result from increased demand and large volume...

We have announced new prices—the lowest in Frigidaire history—

Today you can buy a genuine Frigidaire with all it offers in greater refrigeration service—the 4 cubic foot Moraine Model—for as little as \$130 f.o.b. Dayton, Ohio.

FRIGIDAIRE \$130

HERE'S REAL NEWS!
AN AMAZING INVENTION
THE NEW **Coleman**
Instant-Gas Stove

Lights Instantly Just Like Gas ... No Preheater

NOW... Gas Service for Every Home

Model 900

Never before a stove like the new Coleman... never before a stove providing Instant-Gas service! Never before such simplicity... such safety... such convenience. The greatest dollar-for-dollar value ever offered.

You'll be amazed when you see how it makes its own gas and lights just like gas. You can use it anywhere any time. No piping... no installation expense. Just set it in your kitchen, fill the fuel tank... and start cooking!

Lights Like Gas... Cooks Like Gas!

This new patented invention makes possible modern gas cooking service for homes beyond the gas mains. Safe to use... economical to use. Costs only a few cents a day for fuel. Clean... no soot, no ashes, no blackened pots and pans. Better meals... cooked quicker.

Compare Before You Buy!

There are twelve beautiful models to fit every cooking requirement, at prices to fit every purse. Before you buy any stove, you owe yourself the duty of seeing the new Coleman Instant-Gas and trying it out in your home.

These stoves will be sold only through authorized dealers whose names will be announced in an early issue of this paper. Coleman Stoves will be guaranteed by them and backed by the great house of Coleman. Watch for further announcements!
