## HERE'S BIG NEWS!

INTERNATIONAL HARVESTER  
CROP PRICE GUARANTY NOW INCLUDES  
ALL McCORMICK-DEERING TRACTOR-OPERATED MACHINES

In response to popular demand International Harvester's Crop Price Guaranty offer has, as of this date, been extended to include besides tractors and combines every McCormick-Deering machine operated through a tractor hitch, power take-off, or tractor belt pulley.

You can now purchase a McCormick-Deering tractor or any McCormick-Deering tractor-operated machine with a definite price guaranty on varying quantities of cotton, corn, or wheat. If market quotations for these products do not reach the guaranteed price shown here-with at the time payment becomes due on notes given and maturing this year, farmers buying equipment under this plan will receive a credit equal to the difference.

Remember—this offer covers the very latest models of McCormick-Deering power equipment for fast work and low-cost production. It is no longer necessary to delay the purchase of the machines you need because of uncertainty as to the prices you will receive later in the year for cotton, corn, or wheat.

Come in and get full details of the Harvester Company's unique Crop Price Guaranty.
