## MAKE PLAIN CAKE RICH WITH CHOCOLATE FLAVOR

EVERY housewife has a prized cake recipe for special occasions. But cakes baked every Saturday for daily family needs must be economical as well as tempting.

How fortunate therefore that chocolate flavor is a family favorite. Chocolate works wonders either with a simple family cake or one for special occasions. A chocolate frosting makes the plainest cake tempting, while a chocolate batter makes your simplest cake rich.

**One-Egg Chocolate Layer Cake**  
2 cups sifted cake 4 tablespoons butter or other  
2 teaspoons baking shortening  
powder 1 egg, unbeaten  
1/4 teaspoon salt 1/2 cup milk  
1 cup sugar 1/2 teaspoon vanilla  
Sift flour once, measure, add baking powder and salt, sift together three times. Cream butter thoroughly, add sugar gradually. Cream together until light and fluffy. Add egg, beat thoroughly. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Add flavoring. Bake in two greased 9-inch layer pans in moderate oven (375° F.) 25 minutes, or in greased loaf pan, 8x2x2 inches, in moderate oven (350° F.) 50 minutes. Double recipe for three 10-inch layers. Spread with Soft Chocolate Frosting.

**Soft Chocolate Frosting**  
4 squares unsweetened chocolate, 1 cup sugar cut in pieces 2 tablespoons butter 1/2 cups milk 1 teaspoon vanilla

Add chocolate to milk in double boiler and heat. When chocolate is melted, beat with rotary egg beater until blended. Sift flour with sugar; add a small amount of chocolate mixture, stirring until smooth. Return to double boiler, cook until thickened. Add butter and vanilla. Cool. Spread on cake. This frosting covers tops and sides of two 9-inch layers.

**Chocolate Cup Cakes**  
(2 eggs)  
1 1/2 cups sifted cake flour 1 cup sugar 2 eggs, well beaten 1 1/2 teaspoons baking powder 1 teaspoon vanilla 1/2 cup milk 1/2 teaspoon salt 2 squares unsweetened chocolate 1/2 cup butter or other shortening melted and cooled  
Sift flour once, measure, add baking powder, salt. Sift together three times. Cream butter thoroughly, add sugar gradually. Cream together until light and fluffy. Add eggs and vanilla. Beat well. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Fold in chocolate. Pour into greased muffin pans, filling two-thirds full. Bake in moderate oven (375° F.) 15 minutes. Cover with Soft Chocolate Frosting. Decorate with chopped nuts, decorations, coconut, or designs of melted chocolate. Makes 26 cakes.

You will find that these cakes served with fresh fruit in season or stewed fruit will make a delicious dessert.
