The following session, which begins at 8 o'clock, will be featured by the initiation of a large class of candidates, including twenty from O'Neill, sixteen from Neligh, sixteen from Valentine and several from Atkinson and Chambers. Mrs. Bertha Gillespie, guardian of the local grove, will preside over the initiation ceremony. She will be assisted by the LaRocca-Talley guards, a team of twelve girls from Omaha, captained by Mrs. Pleasants.

The program will also include a business session, exhibition of the floor work by the LaRocca-Talley guards, drills by a team from Neligh, and a demonstration of the drill work by O'Neill juniors. There will also be an entertainment program of musical numbers and dancing.

Visitors will be guests at the homes of local members, following the meeting.

The following committees are in charge of plans for the meeting: Mrs. Gillespie and Mrs. Miles, entertainment; Mrs. Julia Graves, attendant, decorations; and Mrs. Ella Porter, refreshments.

Mrs. Harry O. Miller, of Chicago, visited old friends and school mates in this city Wednesday. She was formerly Miss Bell and lived near Chambers.

Mrs. George Whitney and son, George, of Omaha, arrived in the city the first of the week for a few days visit with Mr. and Mrs. Roy Griffin and other friends here.

SHERIDAN COUNTY SHERIFF RESIGNS

Sheriff Ben Parker of Sheridan county has resigned, after charges were filed against him by the county attorney, with Governor Bryan. He admitted that there was some truth in the charges, which among other things accused him of consuming excessive amounts of booze. A short time ago he was arrested at Alliance and charged with intoxication.

ANOTHER PIONEER PASSES AWAY

Adolph Emil Peterson died at his residence in the southeastern part of the city last Saturday morning at 8 a. m. after an illness of about three months of infirmities due to old age, at the age of seventy-seven years, three months and seventeen days. The funeral was held Saturday afternoon, in the Prospect Hill cemetery, Rev. H. D. Johnson officiating.

Adolph Emil Peterson, or Ed. as he was more familiarly known, was born in Sweden on June 14, 1855. In 1880 he came to America and settled in Illinois, where he remained for two years and came to this county in 1882 and settled on a farm about twelve miles northeast of this city where he made his home for many years, until he moved to this city in the fall of 1916. By his thrift and industry he had accumulated sufficient of the world's goods to keep him in affluence the balance of his days. After his removal to this city he purchased a home in the southeastern part of the city, where he resided up to the time of his death. He was a good citizen and a loyal and true friend.

He had never married and had no relatives in this section. Elmer Johnson, of Beresford, S. D., a nephew, was present at the funeral. Besides Mr. Johnson he had four other nephews in the United States and one niece.

The bride has been a resident of Stuart for several years and is said to be a very charming young lady with many friends in that section of the county. Their many friends wish them a long and happy married life.

CHARITY SOCIAL Card Party and Dance

K. C. Hall

8:00 P. M. Adm. 25c

Judge Dickson and Reporter McElhane went over to Butte last Monday morning where they are holding the regular fall term of district court, with a jury in attendance. They have a good sized docket in Boyd county and will probably be there all week.

Mrs. Ralph Melior and Mrs. Clinton Gatz entertained thirty-four ladies with a 7:30 o'clock dinner at the Idle Hour Cafe last Tuesday evening, followed by bridge. Mrs. Hugh Coyne won the prize for high score, Miss Helen Biglin the all-cut and Mrs. Max Golden the booby.

While on his way to Boyd county with a large truck of watermelons, Al Halbert, of Clearwater, had a little hard luck. His truck upset while going down the hill at the Eagle and the melons were all mashed, but the driver escaped injury and the truck was only slightly damaged.

Last Friday Frank Smith and Louie Storz, of Omaha, arrived in the city on their way west on a hunting trip in Cherry county. In this city they were joined by Ralph Mellor, Tom Coyne and William Eggers and went on west to Cherry county to celebrate the opening of the duck season. The boys returned Monday night and say that they all had a delightful time and lots of shooting. Mr. Smith and Mr. Storz left for home Tuesday morning.

Dwight F. Fulton, of Lincoln, secretary of the department of agriculture in Governor Bryan's cabinet, was visiting friends in this city last Monday. Mr. Fulton was on his way home from a visit to his boyhood home in Rock county, which he left about a quarter of a century ago. While up there he also put in a little time, since the duck season opened, hunting ducks. He said there were quite a few ducks but the weather being so warm they were flying high, therefore they did not bag a great number.

J. P. Protivinsky, Henry Bauman, Howard Bauman, L. R. Hudgel, Norb Uhl, Jack Arbuthnot, Gerald Miles and Harry Ott went up to Cherry county last Saturday morning for a hunting and fishing trip in the lakes of that section. Mr. Protivinsky and Mr. Hudgel returned Sunday night, the others remaining until Monday night. The boys say they had a delightful outing, lots of fishing, but that the weather was too warm while they were there and that the ducks were flying too high for them to get an oversupply.

President Hoover spoke to an immense audience at Des Moines last Tuesday night, the speech being broadcast with a national hook up. Many of those who heard the address say that it was by far the best speech ever delivered by the President. He went after his democratic opponents, especially "Pork Barrel" Garner without gloves and showed more aggressiveness than he has ever exhibited on the platform. His address has set several people to talking and thinking and there is no question but what he helped his candidacy materially in the middle west by this address.

Congressman Edgar Howard and John Brynes, of Columbus, one of the democratic wheel horses of the state and former chairman of the democratic committee, were in the city a few hours Wednesday on their way from Boyd county to Wheeler county, and called on several friends while in the city. The Congressman was making a tour of the district seeing as many voters as he could on his journey and Mr. Brynes was along for company. Congressman Howard will be in O'Neill next Wednesday, being billed for a political address on Free Day when he will devote more time to the electors of this county.

Last Saturday morning Pete Morgan, of Atkinson, sold his farm three miles east of that city containing 160 acres, to James Malloy, for \$7,000 cash. That afternoon he came to this city and purchased, through Frank Dishner, the old Doyle place, later the Dishner place, containing 213 acres, now owned by an eastern insurance company. This was also a cash sale. John Dumpert, who now lives on the place purchased, has leased the Dennis Hanley place northwest of this city and will move thereon the first of March, when the new owner takes possession. Mr. Morgan received \$45 per acre for his quarter section, which is considered a very good price during these days of depression and low prices of farm products.

A QUESTION FOR THE GAME WARDEN

A brown Leghorn hen has taken up her abode with a pheasant tribe in the willow trees along a creek in the eastern part of the county. This hen has brought up six or seven chickens and the question arises, who do they belong to? Of course they belong to the hen but they seem to favor the pheasant in color. They are now full feathered and make a pretty picture.

CHARLES COLE, SR., DIES

Charles Cole, Sr., died at his home, about nine miles northeast of this city last Saturday, after an illness of several years of paralysis. The funeral was held from the Catholic church at Stuart last Monday, interment in the Stuart cemetery.

Charles Cole was born in Germany on February 29, 1868, and was sixty-four years, seven months and two days old at the time of his death. He came to America when a young man and lived in Iowa for a number of years. In Sioux City on February 6, 1894, he was united in marriage to Miss Mary Murphy. To this union ten children were born, five boys and five girls, six of whom, three boys and three girls, are left with their mother to mourn the passing of a kind and loving husband and father. The children are: Mrs. Frank Schneider, Stuart; Charles Cole, Jr., Atkinson; Mrs. George Babl, John, Margaret and William, of O'Neill.

On February 6, 1913, the family moved from Bancroft, Neb., to this county, locating near Stuart, where they made their home until two years ago when they moved on a farm northeast of this city, where they now reside. Mr. Cole has been a partial invalid for several years, suffering from paralysis. He was a good citizen and a good neighbor, and the sorrowing family have the sympathy of their many friends in this community in their hour of sorrow.

GREAT DAY IN EMMET

Last Sunday was a great feast day at the Catholic Church in Emmet. It was Rosary Sunday, First Commission Sunday and the Thirteen Hours Devotion Sunday. The church was filled to the doors for the High Mass at 8 o'clock. Special music was rendered by the choir. Two hundred people received Holy Communion.

The following children received first Holy Communion:

Helen O'Donnell, Alice McCaffrey, Florence Monahan, Ethel Winkler, Helen Mullen, Leona Mullen, Florence Winkler, Leona Winkler, Mary Welsh, Rebecca Kane, Mary Ramold, Teresa Ramold, Ethel Givens, Mary McNally, John Fernholz and Norbert Fernholz.

MANY MAKE TRIP TO CHAMBERS TO BOOST FREE DAY

Several Cars Leave This Morning on Extended Booster Trip

About sixty cars loaded with residents of this city and headed by the O'Neill Cornet Band made a booster trip to Chambers last evening. The trip was made to advertise the O'Neill Free Day, October 12th. There was a good crowd of people in Chambers last evening and the boys put on a good show for their edification. Kangero Court was opened with Judge Bland presiding and a couple of prominent citizens of that hustling little burg were taken before the bar of justice charged with heinous offenses. They were convicted of the offenses charged but Judge Bland was lenient with them. On their promise to bring the entire population here for the Free Day celebration they were released. Emmet Harmon delivered a very nice invitation to the people of the south country to enjoy the hospitality of this city on Free Day. Jeannette Kubichek and Jane Means entertained with tap dancing while Clarence Zimmerman and James Davidson put on the gloves and punched each other around for a while and the O'Neill Cornet Band, under the direction of Dr. Lubker, rendered several choice selections. It was a splendid trip and the boosters are thankful to the people of Chambers for their kind reception and hope they will all be here on October 12th.

A large and active delegation of Boosters left the city this morning for a trip to Emmet, Atkinson, Stuart, Naper, Butte, Spencer, Bristow, Lynch, Red Bird, Orchard, Ewing and Page to distribute advertising matter and to tender invitations to the people of these towns and surrounding country to come to O'Neill on October 12th. The O'Neill Cornet Band went along and will announce the arrival of the Boosters in the several towns with inspiring music. These booster trips are a good thing for any town and the only regret is that more of our citizens could not have made the trip today.

Milo Vaughn Landreth, of Thayer, Iowa, and Miss Margaret Hendrick, of Middle branch, were united in marriage at the Presbyterian manse last Saturday afternoon by Rev. H. D. Johnson.

The body of Dan Grady, who died at Wichita Falls, Texas, in July, 1930, was brought to this city Tuesday and interred in Calvary cemetery yesterday morning. His widow accompanied the remains here and will remain for several weeks to visit with relatives here and at Atkinson.
