"MOTHER SAYS SHE'S GLAD SHE HAD A TELEPHONE WHEN I FELL INTO THE TUB" An actual incident told to us by a customer, showing how one call may be worth more than a telephone costs in a lifetime! That's what this baby would want to tell you if he understood how the telephone brought the doctor so quickly that day he fell into a tub of water. His mother was doing the family laundry and had gone outdoors for a few moments. When she returned she found the baby nearly drowned. She telephoned the doctor at once. He came in time to save the baby's life. No wonder she couldn't be without a telephone now! NORTHWESTERN BELL TELEPHONE COMPANY
