**MRS. LOUIE STORM**

Mrs. Louie Storm died at her home at Gregory, South Dakota, last Saturday afternoon, after an illness of several months, at the age of 56 years, 1 month and 18 days.

When she was a little girl her parents moved to this county and settled upon a farm northeast of this city where she grew to womanhood, being educated in the country schools and the public schools of this city. After her graduation from the O'Neill High school she taught school for several years, in the country schools of the county and in the O'Neill public schools. On June 28, 1898, she was united in marriage to Louie Storm, who was then engaged in the mercantile business at Spencer. During their residence in Boyd county Mrs. Storm served as deputy clerk of the district court of Boyd county, filling the position very efficiently. They next moved to Gregory, South Dakota, where they made their home for nearly twenty years, Mr. Storm being engaged in business there. During her residence in Gregory Mrs. Storm served for two years as Deputy State Organizer for the Catholic Daughters of America and organized several branches of the order in various sections of the state and had an extensive acquaintance among the Catholic women of the state.

For several years past they had been making their home during the summer months, at Crystal Cave, near Rapid City, South Dakota, which has been under the supervision of Mr. and Mrs. Storm. She had not been in good health for the past year and spent most of the past winter in Omaha receiving medical treatment. A few weeks ago she returned to Gregory, feeling much improved in health and was confident that the invigorating air of the western part of the state would soon bring back her health and strength. But she suffered an attack of the flu and her heart, weakened by the long illness, was unable to stand the strain and she passed peacefully away last Saturday.

Mrs. Storm was a charming woman with a keen analytical mind, of pleasing personality and had a host of friends in Nebraska as well as her adopted state of South Dakota, which was attested by the large number from various parts of this state who were here for the funeral.

The body was brought to this city Monday and the funeral was held Tuesday morning from the Catholic church, Rt. Rev. Msgr. The 1933 baseball season in the Holt County League was formally opened in this city last Sunday afternoon with Red Bird opposing the local team. The game, although the score was a little one-sided was very interesting, both teams disclosing that they had some good stickers in their line-ups that would make trouble for opposing moundsmen before the season was over. The final score was 8 to 3 in favor of O'Neill. The feature of the game was a home run by Harrington for O'Neill, which brought in three runs and placed the game on ice. Honeycutt and Crumley were in the points for O'Neill.

**BOYS OFF TO CAMP**

Seventy-five boys left this city this morning for Fort Crook, Nebr., which is being used as a conditioning camp for the Nebraska boys who are to enter the government's emergency forestation work. The men will be kept at Fort Crook for two weeks.

The 32 from this county; 14 from Boyd county; 11 from Brown county; 6 from Rock county; 6 from Keya Paha county and 4 from Wheeler county were assembled here yesterday afternoon and government physicians arrived here about four o'clock in the afternoon and examined the boys and then sent them down to the Northwestern depot where cars had been set out in which those from this sector were to be taken to Omaha. They left on the early train this morning for Fort Crook. While the list gave the number from these counties as 73 that were to be taken the government men that were here took 75 boys with them.

It is not known into what state the Nebraska boys will be sent.

**FREDERICK GUY CALHOUN**

Frederick Guy Calhoun died at his home near Chambers last Sunday, of heart trouble, after a few months illness, at the age of 62 years, seven months and 29 days. The funeral was held last Tuesday afternoon at 2 o'clock from the Methodist church at Chambers, Rev. H. D. Johnson officiating, burial in the Chambers cemetery.

Mr. Calhoun had been in failing health for several months past, but was getting along nicely and friends and relatives looked for his ultimate recovery until a few weeks ago he suffered an attack of the flu and his heart, weakened by his illness could not withstand the attack and he passed peacefully away Sunday.

Frederick Guy Calhoun was born at Paxton, Illinois, on September 15, 1870. When he reached the age of fourteen he came with his parents to this county and they located in the south county where Mr. Calhoun made his home up to the time of his death. When the Spanish-American war started Mr. Calhoun was attending school in the eastern part of the state and he enlisted in the Fifty-first American Volunteers and saw service with that organization in the Phillipine Islands. At the conclusion of hostilities he returned to Holt county.

In 1903 he was united in marriage to Miss Coril Bishop at Spencer, Nebraska, who with four children and a brother, Clark Calhoun, of Chambers, are left to mourn the death of a kind and loving husband, father and brother. The children are: Mrs. Bessie Nelson, North Bend, Oregon; Mrs. Lillian Gross, Ansley, Nebr.; Helen and John C. Calhoun, of Chambers, Nebraska.

Mr. Calhoun was a good citizen and neighbor and had the respect and esteem of every resident of the county with whom he was acquainted. He had been a resident of the county for forty-nine years and his passing will be sadly missed from the gatherings of the old timers in the southern part of the county. The Frontier joins the many friends of the family in tendering them its sincere sympathy in their hour of sorrow.

Con J. Coffey, of Wichita Falls, Texas, arrived in the city last Monday evening to attend the funeral of Mrs. Louie Storm, who died at Gregory, South Dakota, last Saturday and was buried from the Catholic church in this city Tuesday morning. Mr. Coffey was a resident of this county and Boyd county for several years, leaving Spencer fourteen years ago and moved to Texas where he has been engaged in the oil business. He says that business conditions have not been the brightest in his section of the state during the past few years but he is of the opinion that things have been picking up during the past few weeks. Mr. Coffey went over to Gregory, South Dakota, Tuesday afternoon and will visit friends there for a few days when he will return to this city for a few days with friends of his younger days in this city.

P. E. Marcellus and Charles Schroeder returned last week from Flint, Mich., with a couple of new cars, a Buick and a Pontiac. The boys say that evidence of business improvement is quite apparent in the east and that business men are correspondingly happy.

J. H. Riggs and Don Lyle, of Omaha, were in the city last Wednesday, looking after business for their insurance companies in this section of the state. Mrs. Riggs is the son of James H. Riggs, former editor of The Frontier and for many years a resident of this city, and was born in O'Neill, so that this part of the state is not new to him by any means.

**LEGION COMMANDER PRESENTS ECONOMY PROGRAM**

Due to the present economy law which discontinues the payment of pensions and disability allowances to disabled veterans there has been an awful demand for relief on the O'Neill Legion Post. The demands are so great that Commander Joel Parker tried to appoint a committee to work out some sort of a relief. One of the main features was to butcher a hog and distribute the meat at different times. The more he talked committee and relief the more the program began to shape into a "Beer Bill." This system, no doubt, would take about a year's time before a decision could be reached on what kind of a hog to purchase. To eliminate all this procedure the Commander decided to handle the program himself. Levi Yantzi, adj., of the Post offered his assistance and on May 11th, within a few hours time a 400 pound hog was purchased, butchered, and the product started on its intended course.

Several families of old persons received some of the meat and it was one of the best butchering stock that Frank Pruss had at the stock yards. Persons donating to help this program were: First National Bank, Mellor Motor Co., Ralph Mellor, A. V. Virgin, Ed. Gatz, Frank Pruss, Gatz Bros. & Rex Brown Ice Cream co., furnishing refrigeration facilities.

**JOHN HENRY DEYARMAN**

John Henry DeYarman was born in Uniontown, Pa., January 6, 1860 and died at Springfield, Mo., April 12, 1933. He came to Holt county, Nebraska in 1879, where he homesteaded in the Meek neighborhood. He was united in marriage in January, 1882, to Mary E. Hicks, and resided on the homestead until about 1887, when he moved to O'Neill, where he and his two brothers, Ben and Jim, operated the Checker livery barn until 1894.

The family went to Arkansas for a short time and then moved to Springfield, Mo., where he resided until his death. He is survived by his wife and three daughters, Mrs. Grace Joyce, of Los Angeles, Calif.; Mrs. Esther Brown, of Huntington Park, Calif., and Mrs. Mary Chim, of Springfield, Mo. There are also three grandchildren, one sister, Mrs. Alvina Hogsett, of Republic, Pa., two brothers, Jake, of Winfield, Iowa, and Ben, of Vancouver, Wash., and several nieces and nephews.

Roy Griffin, who has been operating the Golden Hotel for several years past, retired from the management last Saturday and the Hotel is now being managed by Mrs. F. J. Dishner and Max Golden for T. V. Golden, Incorporated, an incorporation composed of the heirs of the late T. V. Golden, the builder of the hotel. This hotel has always enjoyed a good business, but the depression hit the hotel business like all other lines, and business has not been so rushing the past couple of years. But now with better times in the offing we predict that things will rapidly come back and business, in the hotel business, as well as other lines, will prosper. Mr. Griffin was a good landlord and was very popular with the traveling public. We predict that the hotel will continue to be the popular stopping place of traveling men in this section of the state under the new management as no pains or expense will be spared in keeping it first class in every respect.

Frank Phalin met with a rather painful accident last Saturday evening, which fortunately for him did not result more seriously than it did. Last Saturday night after going home from the shop, rather late at night, he went into the bath room to start a water heater. There was some oiled paper on the floor and it became ignited from the match and Frank picking it up to throw it out had his hair severely burned, his hair burned and his face badly scorched. No damage was done to the bath room, and Frank's hand, while painful, is getting along nicely and will be all right in a couple of weeks.

Mrs. Alma Farrier, of Chambers, was a pleasant caller at this office last week and extended her subscription to The Frontier up to 1934. Mrs. Farrier has been a resident of the southern part of this county practically all her life, coming here with her parents when she was a little girl and, prior to her marriage, taught school in the northern part of Wheeler county and in southern Holt. During most of the years of her residence in this county she has been a reader of this newspaper and says that it has now become a household necessity.
