IN DISTRICT COURT

In his petition he alleges that they were married at Butte, Nebraska, on August 29, 1928, and that he has been a resident of Nebraska for thirty years and of this city and vicinity for the past twenty years. He alleges that ever since his marriage he has conducted himself as a kind and loving husband. He alleges further that the defendant deserted him on June 17, 1930, and, despite his frequent efforts to get her to return, she has failed and refused to do so. There are no children.

The Cathedral Chapter of the diocese of Nebraska has filed suit

against Gustava Seger, et al., to collect on a note for \$6,000.00 given on February 1, 1932. As security on the note they gave a mortgage on the north half of section 18, township 29 north, of range 12 west of the Sixth P. M. They allege that the defendants failed to make the interest payment due on March 1, 1933, in the amount of \$300 and that they likewise failed to pay the taxes due thereon for the year 1932. They ask that the court determine the amount due and that the property be sold to satisfy said amount.

The State Savings and Loan Association has filed suit against Charles Aroy Warner, et al., to foreclose a mortgage for \$2,000 given on July 10, 1929, on lots 1, 2, 3, 4, 5, and 6 in Block 40 of Riggs' Addition to the city of O'Neill. They allege that the payments were to have been made at the rate of \$24 per month and that no payments have been made since August, 1932 and that there is now due the sum of \$1,733.49 and they ask that the property be sold to satisfy the amount found due.
