CHEVROLET FOR 1934

It's here now, for the first time: the car that all America has been standing by to see and drive—Chevrolet for 1934! And if you aren't among the first to attend the gala introductory showing, you're going to miss one of the biggest, most exciting events of the whole motor car year. There never has been a new Chevrolet model with so many basic and sweeping advances as this one. Its different—totally unlike anything you've seen or anything you will see in motor cars for 1934!
