office; they can dutifully do nothing more; they should hang their head in shame if they do less." The humorous was by far the most hotly contested. It seemed to be an even break to the writer, but the judge, Earl Burk, of Lincoln, declared Pete Walnofer to be the winner.

The ladies brought well-filled baskets, an abundance of the goodies was distributed by a committee

of three composed of Mrs. James Earley, Mrs. Helen Steskal and Mrs. Pete Farwell. Albert Klinger and Mrs. Ed Steskal served the coffee. After lunch they indulged in card games. William and Ed Steskal won high honors. When they departed for their homes all were interested in good government and the welfare of the state.

George Mellor is still in the hospital at Lynch, but is said to be getting along very nicely.

**BRIEFLY STATED**

Miss Maude Cullen came up from Omaha last Monday for a couple of days visit with friends in this city.

Paul H. Barr, a representative of the Hanover Insurance company, was looking after business in this city last Tuesday.

Mr. and Mrs. P. V. Hickey returned last Thursday night from Los Angeles, where they have been visiting relatives for the past month.

Mr. and Mrs. P. J. O'Donnell came up from Randolph last Monday evening to cast their vote in the "old home town" Tuesday morning.

The Misses Dorothy Reiken and Violet Rosler drove down to Norfolk last Saturday morning and visited with friends there until Sunday afternoon.

Mrs. M. R. Sullivan and son, Cletus, and Mr. and Mrs. Larry Cain, leave in the morning for Omaha, where they will visit relatives and friends for a few days.

A Sutton, of Inez, one of the pioneers of the southwestern part of the county, was a pleasant caller at this office last Wednesday and extended his subscription to this household necessity.

The Roberts Construction company started work on widening the pavement on Douglas street the first of the week and has a good-sized gang of men at work. With

fair weather the work will be completed in two weeks.

While coming out of the post office last Thursday afternoon, Mrs. Howard Bauman slipped on the incline and fell, sustaining a compound fracture of the ankle. She is getting along nicely.

Mrs. J. B. Mellor has been quite ill the past ten days with an attack of pneumonia. Dr. Adolph Sachs, of Omaha, came up last Tuesday night to see the patient and pronounced her condition as satisfactory. She is reported as being much better today.

Mr. and Mrs. Lawrence Chapman, of Omaha, were in the city the latter part of the week visiting at the home of Mr. Chapman's mother, who has been quite ill for the past few weeks. She is now greatly improved. Mr. and Mrs. Chapman returned home Sunday.

Next Monday will be Armistice Day and all the stores and business places of the city, are requested to close at 3 p. m. and remain closed for the balance of the day. Mayor Kersensbrock says the business men agreed to close so as to help the Legionaires celebrate Armistice day.

Mrs. Eldon R. Wood and daughter, Marilyn Joan, who have been visiting at the home of Mrs. Wood's parents, Mr. and Mrs. L. G. Gillespie, here for the past three months, leave for their home at Ponoma, Calif., Friday morning. Mr. Gillespie will take them as far as Grand Island where they will

board the Union Pacific for the west.

The daily press last week carried the announcement that bids would be received on December 20 for the paving of Fourth street in this city. We understand that the paving will be 60 feet wide in the first block from Douglas to Everett street, and then 20 feet wide down to the Northwestern depot. Work will probably not commence on this until next spring.

Ralph Leidy, who has operated the O'Neill Hatchery for several years, is also going into the gasoline business. He will be assisted in this venture by John Davis, of Inman, who will have charge of the filling station while Mr. Leidy will look after his hatchery. They installed tanks the first of the week and expect to be ready for business by the end of the week.

The Tiger Club entertained 21 members of the football squad of the O'Neill high school, and five members of the faculty, at a dinner at the Golden Hotel last Monday evening. It was a pep meeting.

Talks were made by several of the guests, the principal one being delivered by Coach Stolte. He said that of the last 25 games played that the O'Neill high had won 15, lost 5 and tied 5, for a percentage of 700. Not a bad percentage for anyone's ball team.
