The same formula is applied to the redistribution of the fund by the county treasurer to the various taxing districts within the county.

The act provides plenty of teeth for enforcement. Business men who wilfully violated the act would be subject to fines of from \$25 to \$5,000, or imprisonment from one to six months, or both. Each retailer would be required to keep a full record of every transaction, and he would not be allowed to destroy any records until they were at least two years old. A 5 per cent penalty would be inflicted on any busirect amount in full. Failure to file a return, or to pay the tax, would bring a 25 per cent penalty, based on the amount claimed by the state. need for new prison industries, are

# FOR ONE YEAR

## for all readers in Holt and adjoining counties

nce again The Frontier is going to make it possible for all the residents of Holt county to read their favorite paper for one year, at the remarkably low price of \$1.00.

#### Now is the time to subscribe!

The Frontier is the leading newspaper of this section of the state, and always has had the largest circulation in the county. This is the second time The Frontier has been offered at this low price. On account of the depression we made the same offer a year ago, and several hundred of our readers accepted the offer, and a large number joined our large family of readers. The depression is still on and we again make the same offer for the coming year.

This offer is open to both new subscribers and renewals. Present subscribers can take advantage of the offer by paying arrears, if any, at the old rate, and then a year in advance at \$1.00. If any reader is paid up for the year 1935, they can have their subscription extended for one year from the date to which their subscription is paid to, by the payment of \$1.00.

### **Remember This Offer Will Close** Saturday, February 2, 1935
