

WHEN YOU TAKE A LAXATIVE

... use a spoon

It isn't what brand of laxative you take that's so important—it's the form. A liquid laxative can be taken in any required amount. If only a little is needed, you need never take a bit too much.

Doctors favor the easily measured liquid laxatives. Instead of any form that does not encourage variation from the fixed dose. A fixed dose may be an overdose for you—or your child.

Always remember this one thing about constipation: the secret of any real relief is reduced dosage.

Give the bowels only as much help as may be needed, and less help as the need grows less. You will find Dr. Caldwell's Syrup Pepsin an excellent aid in regulating the bowels. It contains senna and cascara (natural laxatives) and it will clear-up any bilious, sluggish condition without upset. Delightful taste, and pleasant action. Your druggist has it.

WATCH YOUR KIDNEYS!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering impurities from the blood stream. But kidneys get functionally disturbed—lag in their work—fail to remove the poisonous body wastes.

Then you may suffer nagging backache, attacks of dizziness, burning, scanty or too frequent urination, getting up at night, swollen feet and ankles, rheumatic pains; feel "all worn out."

Don't delay! For the quicker you get rid of these poisons, the better your chances of good health.

Use Doan's Pills. Doan's are for the kidneys only. They tend to promote normal functioning of the kidneys; should help them pass off the irritating poisons. Doan's are recommended by users the country over. Get them from any druggist.

Newly Designed Doughnut Million-Volt Generator

DR. WILLARD H. BENNETT of Ohio State university's physics department, with his newly designed doughnut million-volt generator, for use in the study of nuclear disintegration. Because it is much smaller and less costly than the models previously used for the same voltage, the new generator is expected to greatly increase the possibilities for study of the atom and its nucleus. The generator will be used in operating a high vacuum tube at extremely high voltages, to produce high-speed particles which disintegrate nuclei of atoms and change the chemical elements. The new generator is of the electrostatic type and has a high voltage shield in the shape of a sphere with two holes on opposite sides. The shield is charged by means of a silk belt which passes through these holes.

REDWING THE BLACKBIRD GIVES WARNING

CREEPING toward sleeping Danny Meadow Mouse Reddy Fox managed to keep quite out of sight of anyone in the Smiling Pool. But there was one person to whom Reddy gave no heed. In fact, Reddy did not see him at all. It was Redwing the Blackbird, sitting on top of an alder tree on the bank of the Smiling Pool. Redwing had not seen Reddy until the latter had almost reached the Smiling Pool. Then, happening to look in that direction, he had caught a glimpse of

He Had Caught a Glimpse of Something Red Moving in the Tall Grass.

something red moving in the tall grass. You see, he was looking down and therefore could see what those on the ground or in the water could not see.

Now Redwing does not fear Reddy Fox. There is no reason why he should. But Redwing has no love for Reddy Fox. He knows that Reddy would gladly catch him if he could. So the instant he was sure that it was Reddy creeping through the tall grass, Redwing flew out directly above Reddy and began to scream, "Danger! Danger!" he screamed. "Here is Reddy Fox! Danger! Danger!"

At the first warning note from Redwing, Grandfather Frog dived into the Smiling Pool with a great splash. There wasn't any real need for him to do so because out on that big green lily pad of his, he was quite safe from Reddy. But Grandfather Frog always feels more comfortable in the water when any kind of danger is around. All along the shore of the Smiling Pool, half grown young frogs dived into the water in a panic. They knew what had brought Reddy over to the Smiling Pool.

Of course at the first note of Redwing's voice the eyes of Danny Meadow Mouse flew open. The instant he saw where Redwing was hovering in the air as he screamed he knew that Reddy Fox was just beneath him and that meant that

Reddy was right back of Danny himself. What should he do? Where should he run? To turn back would be to run right into Reddy's mouth. There wasn't a hiding place near. It was useless for him to try to outrun Reddy, for Reddy could catch him in two jumps. Was ever a meadow mouse in a more dreadful position? There was Reddy Fox behind him and the Smiling Pool in front of him. To Grandfather Frog, whose big goggle eyes showed just above the surface of the water, it looked as if Danny Meadow Mouse would soon be no more. He couldn't see one little chance for Danny to escape.

THE GIFT OF FRIENDSHIP

By ANNE CAMPBELL

MY FRIEND came home from far away,
And brought a gift to me,
But in my hand no bauble lay,
And there was nothing I could see.

She gave to me a cheering word,
A happy smile, a loving glance,
And in my heart new courage stirred
To conquer changing circumstance.

There is no gift that can be bought,
Or any work of art,
As precious as the one she brought:
The beauty of a friendly heart.

LABOR-SAVING IDEAS

WHEN making pastry prepare more than is needed and place in a cold place or ice chest, tightly covered with waxed paper. The thoroughly chilled mixture makes more flaky crust than that baked at once. From this pastry a few tarts may be made in a hurry, or cheese straws, a meat pie, using left-over meat.

Ice box rolls are another special that can be mixed and left in the ice chest for a week. Take off just the amount needed for rolls and put them to rise; when light, bake. A tin of delicious rolls are quickly served. An hour or two before baking make them into small rolls and keep very warm, tightly covered. It is better to grease them well with lard—that keeps the flour from drying out on top while rising. They should be more than double their bulk when put into the oven.

QUESTION BOX

by ED WYNN, The Perfect Fool

Dear Mr. Wynn:
I am not one of those persons who believes everything told them. For that reason I am writing to you to find-out if what I heard last night is true. I heard that the richest people in New York neglect their children. Tell me, is this true?
Yours truly,
ANN ARKIST.

Answer: What you heard is silly. Rich people do not neglect their children. They engage nurses to do that.

Dear Mr. Wynn:
What is meant by "A Gentleman Farmer"?
Yours truly,
Q. KUMBER.

Answer: A gentleman farmer is a man who raises nothing but his hat.

Dear Mr. Wynn:
My mother and father had an argument. Ma said that Pa doesn't act the same as he used to before they were married, especially if they were on a train and passed through a tunnel. Why should men act differently, in a tunnel after marriage?
Sincerely,
I. M. A. MAY DIN.

Answer: Before marriage a fellow always kisses his girl in a tunnel. After marriage, when he gets in a tunnel, he takes a drink.

Dear Mr. Wynn:
I have left school and have a position. I am very ambitious and am going to start to save money. I may want money, some time, in a hurry, so what I want to know is can I draw my money out of the bank the same day I put it in, if I put it in a savings bank?
Sincerely,
IKE EEPBOOKS.

Dear Mr. Wynn:

Truly yours,
D. SEMBER.

Answer: He was probably arrested for driving because he had one lamp out.

Dear Mr. Wynn:
In an article I read in one of the morning papers I saw the following headlines: "Robbed by Comic-Opera Bandits." What in the world is meant by "Comic-Opera Bandits"?
Truly yours,

Answer: That means robbers who, after tying their victims so they can't move, use "Old Gags" to keep them quiet.

Dear Mr. Wynn:
My nephew returned home last night and said he was hiking in the mountains and accidentally fell into a bed of snakes. He claims the snakes did not bite him. How do you account for that?
Sincerely,
A. COBRA.

Answer: The snakes were probably "rattled."

Dear Mr. Wynn:
During our natural history lesson, in school yesterday, our teacher said that about 8,000 elephants go every year to make white keys for pianos. If this is true, what do you think of it?
Sincerely,
E. KLIPSE.

Answer: I think it shows how far we have advanced in training animals.

Dear Mr. Wynn:
What is meant when they say a man has "horse sense"?
Truly yours,
JOCK KOY.

Burning Tanker Salvaged in Mid-Ocean

IN TOW of the British cruiser Frobisher, the Glasgow tanker Vaiverdn is seen here lying deep in the waters of the Atlantic ocean, after a harrowing experience that tried the souls, and proved the heroism, of its crew. With a volatile cargo aboard, that included 8,000 tons of crude oil, and 4,000 tons of gasoline, the crew of the Scotch tanker fought a blaze that, if it had got out of their control, would have spelled oblivion for themselves and their floating home. They succeeded in quelling the fire, but only at cost of disabling the vessel and a rope from the British fishing boat Guardian was a welcome sight to the sorely pressed crew. The cruiser Frobisher then came up and took the crippled vessel in tow and brought it safely to Bermuda.

Extreme Chic in This Frock

PATTERN 9986

If you've been following the latest trend in style news, you know that the classic shirtwaist frock is still one of Fashion's pets. And here's a delightful version of it. The sleeves and shoulders are cut in one to give a nice smooth line, and make them easy as a, b, c to fit. The bodice with a trim slot-pleat at the back to match the chic of its buttoned front closing is smartly gathered to the yoke—the long skirt seams end in jaunty inverted pleats—and the patch pockets follow the latest mode by being rounded instead of square. Make it of a rough crepe and put an impudent little contrasting bow at the throat for added chic!

Pattern 9986 may be ordered only in sizes 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 16 requires 3½ yards 39 inch fabric. Complete, diagrammed sew chart included. Send FIFTEEN CENTS in coins or stamps (coins preferred) for pattern. Be sure to write plainly your NAME, ADDRESS, the STYLE NUMBER and SIZE of each pattern. Send your order to Sewing Circle Pattern department, 232 West Eighth street, New York.
