NOTICE TO OUR CUSTOMERS of Change in Billing and Discount Date

HERETOFORE, your service statement has been mailed to you on the first of each month which, in some cases, has meant receiving the statement approximately a month after the meter was read. This has been confusing to many of our customers and has caused misunderstandings when services have been discontinued.

Effective as of AUGUST, statements will be mailed to our customers within a week after the meters are read and the discount period will terminate ten (10) days thereafter.

In sending out the statements promptly after the meters are read, some customers will receive two statements during the first month.

INTERSTATE POWER COMPANY

Standard Oil is able to give you more for your money ... and DOES

WHEN WE SAY LIVE POWER WE MEAN Live Vower

And what does "Live Power" mean? That's a fair question. And here's the way to get a most convincing answer: Put five gallons (ten are even better) of this 1935 Standard Red Crown Superfuel into the tank of your car. Then drive out in traffic-onto the highway-or up in the hills. See if you don't find that automobile of yours has suddenly come alive! See if it hasn't acquired a new facility in getaway, speed, climbing power and endurance!

LIVE POWER-that describes it! An abundant store of instantly responsive power to draw on when the call comes for action. Economical, too. For Standard Red Crown contains Tetraethyl, finest anti-knock fluid known. Get it where you see the familiar Standard sign.
